**DECLARATION OF COVENANTS, CONDITIONS and  
RESTRICTIONS FOR EAST POINTE ADDITION SECTION 2, A  
RESIDENTIAL COMMUNITY TO CITY OF MUSTANG,  
CANADIAN COUNTY, STATE OF OKLAHOMA**

THIS DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS FOR EAST POINTE ADDITION SECTION 2, A RESIDENTIAL COMMUNITY TO THE CITY OF MUSTANG, CANADIAN COUNTY, OKLAHOMA is made this 4<sup>th</sup> day of November, 2005, by ERC LAND DEVELOPMENT GROUP, LLC, an Arkansas limited liability company.

**PART ONE: INTRODUCTION TO THE COMMUNITY**

The Declarant has established this Declaration to provide a governance structure and a flexible system of standards and procedures for the overall development, administration, maintenance and preservation of Sara Pointe as a quality residential community.

The Association is a homeowners association comprised of all Owners of Lots in East Pointe. The Association has the power under the Governing Documents to establish standards for conduct and activities for the property within East Pointe. Another component of the East Pointe development is the Design Review Board, which has jurisdiction over all matters of design review for all Lots within East Pointe Addition Section 2.

**Article 1 Creation of the Community**

**1.1 Purpose and Intent.**

The Declarant, as the owner of the real property described in Exhibit "A," intends by the Recording of this Declaration to create a general plan of development for the planned community known as Sara Pointe. This Declaration provides for the overall development, administration, maintenance and preservation of the real property now comprising Sara Pointe. An integral part of the development plan is the creation of the Association to be comprised of all Owners of Lots in Sara Pointe, to own, operate and/or maintain various Common Areas and community improvements and to administer and enforce this Declaration and the other Governing Documents referred to in this Declaration.

This Declaration does not and is not intended to create a unit ownership estate within the meaning of *60 O.S. §501 et seq.* This document does and is intended to create a real estate development and owners association within the meaning of *60 O.S. §851 et seq.*

**1.2 Binding Effect and Term.**

The real property described in Exhibit "A" shall be owned, conveyed and used subject to all of the provisions of this Declaration, which shall run with the land and title to such property. This Declaration shall be binding on all Persons having any right, title, or interest in any portion of Sara Pointe, their respective heirs, successors, successors-in-title and assigns.

This Declaration shall remain in effect for a term of forty (40) years from the date Recorded. Declarant, the Association, any Owner and their respective legal representatives, heirs, successors and assigns may enforce it. After such forty (40) year period, the Declaration's term shall automatically extend for successive ten (10) year periods unless seventy-five percent (75%) of the then Owners sign and Record, within the year preceding any extension, an instrument which terminates, adds to, or amends, in whole, or in part, this Declaration.

If any provision of this Declaration would be unlawful, void, or voidable by reason of applicability of the rule against perpetuities, such provision shall expire twenty-one (21) years after the death of the last survivor of the now living descendants of the youngest living President of the United States having a descendant. Nothing in this section shall be construed to permit termination of any easement, covenant, restriction, or obligation created in this Declaration without the consent of the holder of such easement.

### **1.3 Governing Documents.**

The Governing Documents create a general plan of development for Sara Pointe which may be supplemented by additional covenants, restrictions and easements applicable to the property within Sara Pointe. In the event of a conflict between or among the Governing Documents and any such additional covenants or restrictions and/or the provisions of any other articles of incorporation, Bylaws, or rules or policies, this Declaration shall control.

Nothing in this section shall preclude the Recording of a Supplemental Declaration or other instrument applicable to any portion of Sara Pointe containing additional restrictions or more restrictive provisions. However, any Person who seeks to Record any instrument applicable to Sara Pointe must obtain Declarant's written consent so long as Declarant owns any property described in Exhibit "A" of this Declaration. Any attempted Recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by Recorded consent signed by Declarant, so long as Declarant owns any of the Property.

All provisions of the Governing Documents shall apply to all Owners and to all occupants of all Lots, as well as their respective tenants, guests and invitees. Any lease of a Lot shall provide that the lessee and all occupants of the leased Lot shall be bound by the terms of Governing Documents.

If any provision of this Declaration is determined by judgment or court order to be invalid, or invalid as applied in a particular instance, such determination shall not affect the validity of other provisions or applications.

## **PART TWO: CREATION AND MAINTENANCE OF COMMUNITY STANDARDS**

The standards for use, conduct, maintenance and architecture at Sara Pointe give the community its identity and make Sara Pointe a place people want to call "home." The standards are more than simply rules. This Declaration establishes procedures for rulemaking as a dynamic process which allows the community standards to evolve as the community changes and grows and as technology and public perception change.

### **Article 3 Use and Conduct.**

#### **3.1 Framework for Regulation.**

The Governing Documents establish, as part of the general plan of development for Sara Pointe, a framework of affirmative and negative covenants, easements and restrictions which govern Sara Pointe. Within that framework, the Board and the Members must have the ability to respond to unforeseen problems and changes in circumstances, conditions, needs, desires, trends and technologies which inevitably will affect Sara Pointe, its Owners and residents. This Article establishes procedures for modifying and expanding the Use Restrictions and Rules. Any modification or expansion shall be effective whether or not Recorded. Each Owner is charged with determining the scope, terms and nature of any restrictions, rules and Design Review Guidelines pertaining to Sara Pointe, whether such documents are Recorded, provided such document is adopted pursuant to the terms of this Declaration.

#### **3.2 Rule Making Authority.**

(1) Subject to the terms of this Article and the Board's duty to exercise business judgment and reasonableness on behalf of the Association and the Members, the Board may modify, cancel, limit, create exceptions to or expand the Use Restrictions and Rules. The Use Restrictions and Rules will apply to Lots, Common Areas, Owners, Persons and the Association. The Board shall send notice by mail to all Owners concerning any such proposed action at least five (5) business days prior to the Board meeting at which such action is to be considered. Members shall have a reasonable opportunity to be heard at a Board meeting prior to such action being taken.

Such action shall become effective, after compliance with subsection (3) below, unless disapproved at a meeting by Members representing more than fifty percent (50%) of the total Class "A" votes in the Association and by the Class "B" Member, if any. The Board shall have no obligation to call a meeting of the Members to consider disapproval except on receipt of a petition of the Members as required for special meetings in the Bylaws.

(2) Alternatively, the Members, at an Association meeting duly called for such purpose, may adopt rules which modify, cancel, limit, create exceptions to or expand the Use Restrictions and Rules by a vote of Members representing more than fifty percent (50%) of the total Class "A" votes in the Association and the approval of the Class "B" Member, if any.

(3) In an effort to assist any Owner in discharging their duty of inquiry under Section 3.1 of this Declaration, at least thirty (30) days prior to the effective date of any action taken under subsections (1) or (2) of this section, the Board shall send a copy of the new rule or explanation of any changes to the Use Restrictions and Rules to each Owner specifying the effective date which, in no event, will be sooner than thirty (30) days from the date of adoption. The Association shall provide, without cost, a copy of the Use Restrictions and Rules then in effect to any requesting Member or Mortgagee. Failure to affirmatively provide a copy of the new rule or explanation of any changes in the Use Restrictions and Rules, unless an Owner, Member or Mortgagee expressly requests in writing a copy of the same, shall not affect the validity or effect of such rule or explanation thirty (30) days after adoption.

### **3.3 Owners' Acknowledgment and Notice to Purchasers.**

All Owners are hereby given notice that use of their Lots and the Common Area is limited by the Use Restrictions and Rules as same may be amended, expanded and otherwise modified hereunder. Each Owner, by acceptance of a deed, acknowledges and agrees that the use and enjoyment and marketability of such Owner's Lot can be affected by this provision and that the Use Restrictions and Rules may change from time to time. All purchasers of Lots are on notice that changes may have been adopted by the Association. Copies of the current Use Restrictions and Rules may be obtained from the Association as provided above.

### 3.4 Protection of Owners and Others.

Except as may be contained in this Declaration either initially or by amendment or in the Use Restrictions and Rules and the Design Review Guidelines, all policies and regulations shall comply with the following provisions:

- (1) **Similar Treatment.** Similarly situated Owners shall be treated similarly.
- (2) **Displays.** The rights of Owners to display religious and holiday signs, symbols and decorations inside structures on their Lots of the kinds normally displayed in dwellings located in single-family residential neighborhoods shall not be abridged, except that the Association may adopt time, place and manner restrictions with respect to displays visible from outside the dwelling. No rules shall unreasonably regulate the content of political signs. The rules may regulate the time, place and manner of posting such signs (including design criteria).
- (3) **Household Composition.** No rule shall interfere with the freedom of Owners to determine the composition of their households, except that the Association shall have the power to require that all occupants be members of a single housekeeping unit and to limit the total number of occupants permitted in each Lot on the basis of the size and facilities of the Lot and such occupants' fair use of the Common Area.
- (4) **Activities within Dwellings.** No rule shall interfere with the activities carried on within the confines of dwellings, except that the Association, in the Association's sole discretion, may prohibit activities not normally associated with property restricted to residential use and it may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety of occupants of other Lots, that generate excessive noise or traffic, that create unsightly conditions visible outside the dwelling, or that create an unreasonable source of annoyance.
- (5) **Alienation.** No rule shall prohibit leasing or transfer of any Lot, or require consent of the Association or Board for leasing or transfer of any Lot; provided, the Association or the Board may require a minimum lease term of up to twelve (12) months. The Association may require that Owners use lease forms approved by the Association, but shall not impose any fee on the lease or transfer of any Lot greater than an amount reasonably based on the costs to the Association of administering that lease or transfer.
- (6) **Abridging Existing Rights.** No rule shall require an Owner to dispose of personal property that was in or on a Lot prior to the adoption of such rule and which was in compliance with all rules previously in force. This dispensation shall apply only for the duration of such Owner's ownership of the Lot personally and this right shall not run with title to any Lot.
- (7) **Reasonable Basis.** No rule may prohibit any activity, condition or conduct unless a reasonable basis exists for the enactment of such rule. For purposes of this subsection, reasonable basis may include, but not be limited to, restrictions as to time, place and manner of

activity or conduct, or concerns relating to safety, fair use of Common Area, cost, aesthetics or the goals of the Development Plan.

**(8) Reasonable Rights to Develop.** No rule or action by the Association or Board shall unreasonably impede Declarant's right to develop the Property.

The limitations in subsections (1) through (8) of this section shall only limit rulemaking authority exercised under Section 3.2 of this Declaration; they do not limit amendments to this Declaration adopted in accordance with Article 18 of this Declaration.

## **Article 4 Architecture and Landscaping.**

### **4.1 General.**

The Design Review Board shall have primary jurisdiction over all matters of design review for construction of structures on Lots in Sara Pointe. The Design Review Board may, however, delegate some of its powers or responsibilities, with respect to design review for Sara Pointe to the Association. Unless and until such time as the Design Review Board delegates all or a portion of its reserved rights to the Association, the Association shall have no jurisdiction over architectural matters. To assist with an Owner's navigation of the design review process and standards, the Design Review Board adopts the Design Review Guidelines as initially set out in Exhibit "E," which may be amended from time to time as provided in Section 1.3 to the Design Review Guidelines.

### **4.2 New Construction.**

The Design Review Board shall have exclusive oversight of all new construction within Sara Pointe, including but not limited to those elements defined as modifications in the Design Review Guidelines. So long as Declarant owns any portion of the Property, Declarant, by agreement with the Design Review Board, may establish a higher standard of design review for initial construction for all or a portion of Sara Pointe than that which is or was applicable to other portions of Sara Pointe. In such event, Declarant shall administer the design review standards that exceed those imposed by the Design Review Board in accordance with procedures, policies and standards agreed on by Declarant and the Design Review Board.

### **4.3 Modifications.**

The Design Review Board shall have exclusive oversight of all modifications to existing construction within Sara Pointe, including but not limited to all exterior improvements, structures and any appurtenances thereto or components thereof of every type and kind and all landscaping features, including but not limited to buildings, outbuildings, swimming pools, tennis courts, patios, patio covers, awnings, solar panels, painting or other finish materials on any visible surface, additions, walkways, sprinkler systems, garages, driveways, fences, screening walls, retaining walls, stairs, decks, landscaping, hedges, gardens, windbreaks, plantings, trees, shrubs, flowers, vegetables, sod, gravel, bark, exterior lighting, poles, sporting fixtures such as basketball goals, temporary sporting features such as temporary basketball goals, signs, exterior

tanks, exterior air conditioning units, cooling, heating and water softening equipment (collectively, modifications). If the Design Review Board delegates to the Association its design review authority for exterior alterations of existing improvements or planting or removal of landscaping, the Association shall establish an Architectural Review Committee. The structure, policies, procedures and standards set forth in this section shall apply to the Architectural Review Committee unless the Design Review Board otherwise establishes or modifies such matters.

#### **4.4 No Waiver of Future Approvals.**

Each Owner acknowledges that the members of the Design Review Board reviewing applications under this Article will change from time to time and that opinions on aesthetic matters, as well as interpretation and application of this Declaration or the Design Review Guidelines, may vary accordingly. In addition, each Owner acknowledges that it may not always be possible to identify objectionable features of proposed activity on a Lot within the scope of this Article until such activities have been completed, in which case it may be necessary to require changes to the improvements involved. Approval of applications or Plans for any activities done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right of the Design Review Board to withhold approval as to any similar applications, Plans or other matters subsequently or additionally submitted for approval.

#### **4.5 Variances.**

The Design Review Board may authorize variances from compliance with the Design Review Guidelines: (a) in narrow circumstances where the design meets the intent of the provision sought to be varied and where granting of the variance would enhance design innovation and excellence, or (b) when circumstances such as topography, natural obstructions, or aesthetic or environmental considerations so require, but only in accordance with duly adopted rules and regulations. A variance may be granted only when special circumstances so dictate and no variance shall (a) be effective unless in writing; (b) be contrary to this Declaration; or (c) estop the Reviewer from denying a variance in other circumstances. For purposes of this section, the inability to obtain approval of any governmental agency, issuance of any permit, or the terms of any financing shall not constitute hardships.

#### **4.6 Limitation of Liability.**

The standards and procedures established by this Article are intended as a mechanism for maintaining and enhancing the overall aesthetics of Sara Pointe; they do not create any duty to any Person. Review and approval of any application pursuant to this Article are made on the basis of aesthetic considerations only and the Design Review Board shall not bear any responsibility for ensuring (i) structural integrity or soundness of approved construction or modifications; (ii) compliance with building codes and other governmental requirements; or (iii) conformity of quality, value, size or design among Lots.

Declarant, the Design Review Board, the Association, the Board and any committee or member of any of the foregoing shall not be held liable for soil conditions, drainage or other general site work or for any defects in plans revised or approved hereunder, or for any injury, damages or loss arising out of the manner or quality of approved construction on or modifications to any Lot. In all matters, the Design Review Board shall be defended and indemnified by the Association as provided in Section 7.6 of this Declaration.

#### **4.7 Certificate of Compliance.**

Any Owner may request that the Reviewer issue a Certificate of Architectural Compliance certifying that there are no known violations of this Declaration. The Association shall either grant or deny such request within thirty (30) days after receipt of a written request and may charge a reasonable administrative fee for issuing such Certificate of Architectural Compliance. Issuance of a Certificate of Architectural Compliance shall estop the Association from taking enforcement action with respect to any condition as to which the Association had notice as of the date of the Certificate of Architectural Compliance.

#### **4.8 Fees; Assistance.**

The Reviewer may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers or other professionals. Declarant, the Design Review Board and the Association may employ architects, engineers or other persons as deemed necessary to perform the review. The Board may include the compensation of such persons in the Association's annual operating budget as a Common Expense.

#### **4.9 Declarant and Design Review Board Address.**

For purposes of this Article 4, Owners or, as applicable, Builders shall submit applications to the following address:

**East Pointe Addition Section 2 Design Review Board**  
1000 West Wilshire Avenue, Suite 308  
Oklahoma City, Oklahoma 73116

Any change in the above notice address shall be given through a filing in the real property records of Canadian County, State of Oklahoma designated a "Change of Address for Design Applications" providing both the entity and new address for submission of applications.

### **Article 5 Maintenance and Repair.**

#### **5.1 Maintenance of Lots.**

Each Owner shall maintain such Owner's Lot, including all landscaping and improvements comprising the Lot, in a manner consistent with Governing Documents, the Sara

Pointe-Wide Standard and all applicable covenants, unless, such maintenance responsibility is otherwise assumed by or assigned to the Association.

## **5.2 Maintenance of Common Areas.**

The Association shall maintain all Common Areas, including any improvements appurtenant thereto in a manner consistent with the Governing Documents, the Sara Pointe-Wide Standard and all applicable covenants.

On resolution of the Board, the Owners shall be responsible for paying, through Special Assessments, the costs of operating, maintaining and insuring certain portions of the Common Area. This may include, without limitation, the costs of maintaining any signage, entry features, right-of-way and green space between the Property and adjacent public roads, private streets and lakes or ponds within Sara Pointe, regardless of ownership and regardless of the fact that such maintenance may be performed by the Association.

## **5.3 Responsibility for Repair and Replacement.**

Unless otherwise specifically provided in the Governing Documents or in other instruments creating and assigning maintenance responsibility, responsibility for maintenance shall include responsibility for repair and replacement, as necessary to maintain the property to a level consistent with the Sara Pointe-Wide Standard.

By virtue of taking title to a Lot, each Owner covenants and agrees with all other Owners and with the Association to carry property insurance for the full replacement cost of all insurable improvements on such Owner's Lot, less a reasonable deductible.

Each Owner further covenants and agrees that in the event of damage to or destruction of structures on or comprising such Owner's Lot, the Owner shall proceed promptly to repair or to reconstruct in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article 4 of this Declaration. Alternatively, the Owner shall clear the Lot and maintain it in a neat and attractive, landscaped condition consistent with the Sara Pointe-Wide Standard. The Owner shall pay any costs which are not covered by insurance proceeds.

## **PART THREE: COMMUNITY GOVERNANCE AND ADMINISTRATION**

The success of East Pointe Addition Section 2 is dependent on the support and participation of every Owner in the governance and administration of the Association. The Declaration establishes the Association as the mechanism by which each Owner is able to provide that support and participation. While many powers and responsibilities are vested in the Association's Board of Directors, some decisions are reserved for the Association's membership – the Owners of Lots in East Pointe Addition Section 2.

**Article 6 The Association and its Members.**

**6.1 Function of Association.**

The Association is the entity responsible for management, maintenance, operation and control of the Common Area. The Association also is the primary entity responsible for enforcement of Governing Documents. The Association shall perform its functions in accordance with Governing Documents and the laws of the State of Oklahoma.

**6.2 Membership.**

Every Owner is a Member of the Association. There is only one (1) membership per Lot. If a Lot is owned by more than one (1) Person, all co-Owners shall share the privileges of such membership, subject to reasonable Board regulation and the restrictions on voting set forth in Section 6.3(3) of this Declaration and in the Bylaws and all such co-Owners shall be jointly and severally obligated to perform the responsibilities of Owners. The membership rights of an Owner which is not a natural person may be exercised by any officer, director, partner or trustee, or by the individual designated in writing from time to time by the Owner and provided to the Secretary of the Association.

**6.3 Voting.**

The Association shall have two (2) classes of membership, Class "A" and Class "B."

(1) **Class "A".** Class "A" Members shall be all Owners except the Class "B" Member, if any. Class "A" Members shall have one (1) equal vote for each Lot in which they hold the interest required for membership under Section 6.2 of this Declaration, except that there shall be only one (1) vote per Lot and, except for property held by the Declarant, no vote shall be exercised for any property which is exempt from assessment under Section 8.8 of this Declaration. All Class "A" votes shall be cast as provided in Section 6.3(3) below.

(2) **Class "B".** The sole Class "B" Member shall be Declarant. The Class "B" Member may appoint members of the Board of Directors during the Class "B" Control Period, as specified in Section 3.3 of the Bylaws. Additional rights of the Class "B" Member are specified in the relevant sections of the Governing Documents. After termination of the Class "B" Control Period, the Class "B" Member shall have a right to disapprove actions of the Board and committees as provided in Section 3.19 of the Bylaws.

The Class "B" membership shall terminate on the earlier of:

(i) one year after the Declarant's conveyance of title to the last Lot in East Pointe Addition Section 2; or

(ii) when, in Declarant's discretion, Declarant so determines and declares in a Recorded instrument.

On termination of the Class "B" membership, Declarant shall be a Class "A" Member entitled to one (1) Class "A" vote for each Lot which Declarant owns.

(3) **Exercise of Voting Rights.** Except as otherwise specified in this Declaration or the Bylaws, the vote for each Lot owned by a Class "A" Member shall be exercised by the Member or proxy representing the Lot. The Member may cast all such votes as such Member, in such Member's discretion, deems appropriate.

In any situation where a Member is entitled personally to exercise the vote for such Member's Lot and there is more than one (1) Owner of such Lot, the vote for such Lot shall be exercised as the co-Owners determine among themselves and advise the Secretary of the Association in writing prior to the vote being taken. Absent such advice, the Lot's vote shall be suspended if more than one (1) Person seeks to exercise such vote; however the Lot shall be counted for quorum purposes.

## **Article 7 Association Powers and Responsibilities**

### **7.1 Acceptance and Control of Association Property.**

The Association, through action of its Board, may acquire, hold and dispose of tangible and intangible personal property and real property. Declarant and its designees may convey to the Association personal property and fee title, leasehold or other property interests in the real property, improved or unimproved, described in Exhibit "A." The Association shall accept and maintain such property at its expense for the benefit of its Members, subject to any restrictions set forth in the deed or other instrument transferring such property to the Association. On written request of Declarant, the Association shall re-convey to Declarant any unimproved portions of East Pointe Addition Section 2 originally conveyed by Declarant to the Association for no consideration, to the extent conveyed by Declarant in error or needed by Declarant to make minor adjustments in property lines.

The Declarant shall not bear any responsibility for any damages caused by mold, or by some other agent, that may be associated with defects in Common Area improvements and construction, to include but not be limited to property damage, personal injury, loss of income, emotional distress, death, loss of use, loss of value and adverse health effects or any other effects. Any implied warranties, including an implied warranty of workmanlike construction, an implied warranty of habitability, or an implied warranty of fitness for a particular use, are hereby waived and disclaimed.

### **7.2 Maintenance of Common Areas.**

The Association shall maintain, in accordance with the Sara Pointe-Wide Standard and the business judgment rule, the Common Area, which shall include, but need not be limited to:

- (i) all portions of and structures situated on the Common Area, including those portions of the Common Area with the Commercial Lots;
- (ii) landscaping within public rights-of-way within Sara Pointe;

(iii) such portions of any additional property included within the Common Area as may be dictated by this Declaration, any Supplemental Declaration, or any contract or agreement for maintenance thereof entered into by the Association;

(iv) all areas located within Sara Pointe which serve as part of the storm water drainage system for Sara Pointe, including improvements and equipment installed therein or used in connection therewith; provided, neither Declarant, the Design Review Board, nor the Association shall have any liability for damage or injury caused by flooding or surface runoff resulting from rainfall or other natural occurrences; and

(v) any property and facilities owned by Declarant and made available, on a temporary or permanent basis, for the primary use and enjoyment of the Association and its Members, such property and facilities to be identified by written notice from Declarant to the Association and to remain a part of the Common Area and be maintained by the Association until such time as Declarant revokes such privilege of use and enjoyment by written notice to the Association.

The Association shall have the right to enter on, for the purpose of maintaining and may maintain other property which it does not own, including, without limitation, property dedicated to the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Sara Pointe-Wide Standard.

The Association shall not be liable for any damage or injury occurring on, or arising out of the condition of, property which it does not own, except to the extent that it has been negligent in the performance of its maintenance responsibilities.

The Association shall maintain the facilities and equipment within the Common Area in continuous operation, except for any periods necessary, as determined in the sole discretion of the Board, to perform required maintenance or repairs, unless Members representing seventy-five percent (75%) of the Class "A" votes in the Association and the Class "B" Member, if any, agree in writing to discontinue such operation.

Except as provided above, the Common Area shall not be reduced by amendment of this Declaration or any other means except with the prior written approval of Declarant as long as Declarant owns any property described in Exhibit "A" of this Declaration.

The costs associated with maintenance, repair and replacement of the Common Area shall be a Common Expense; provided, the Association may seek reimbursement from the Owner(s) of, or other Persons responsible for, certain portions of the Property pursuant to this Declaration, other Recorded covenants, or agreements with the Owner(s) thereof.

### **7.3 Insurance.**

7.3.1 **Required Coverages.** The Association, acting through the Board or the Board's duly authorized agent, shall obtain and continue in effect the following types of insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available:

- (1) Blanket property insurance covering "risks of direct physical loss" on a "special form" basis (or comparable coverage by whatever name denominated) for all insurable improvements on the Common Area to the extent the Association has assumed responsibility in the event of a casualty, regardless of ownership. If such coverage is not generally available at reasonable cost, then "broad form" coverage may be substituted. All property insurance policies obtained by the Association shall have policy limits sufficient to cover the full replacement cost of the insured improvements under current building ordinances and codes;
- (2) Commercial general liability insurance on the Common Area, insuring the Association and the Members for damage or injury caused by the negligence of the Association or any of the Members, employees, agents or contractors while acting on its behalf. If generally available at reasonable cost, such coverage (including primary and any umbrella coverage) shall have a limit of at least One Million Dollars (\$1,000,000) per occurrence with respect to bodily injury, personal injury and property damage; provided, should additional coverage and higher limits be available at reasonable cost which a reasonably prudent person would obtain, the Association shall obtain such additional coverages or limits;
- (3) Workers compensation insurance and employers liability insurance, if and to the extent required by law;
- (4) Directors and officers' liability coverage;
- (5) Commercial crime insurance, including fidelity insurance covering all Persons responsible for handling Association funds in an amount determined in the Board's business judgment but not less than an amount equal to one-sixth (1/6<sup>th</sup>) of the annual Base Assessments on all Lots plus reserves on hand. Fidelity insurance policies shall contain a waiver of all defenses based on the exclusion of Persons serving without compensation; and
- (6) Such additional insurance as the Board, in the Board's business judgment, determines advisable.

Premiums for all insurance on the Common Area shall be Common Expenses.

7.3.2 **Policy Requirements.** The Association shall arrange for an annual review of the sufficiency of its insurance coverage by one or more qualified Persons, at least one of whom must be familiar with insurable replacement costs in the Mustang area. All Association policies shall provide for a certificate of insurance to be furnished to the Association and, on request, to each Member insured.

The policies may contain a reasonable deductible and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the policy limits satisfy the requirements of Section 7.3.1 of this Declaration. In the event of an insured loss, the deductible shall be treated as a Common Expense in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an

opportunity to be heard in accordance with Section 3.24 of the Bylaws that the loss is the result of the negligence or willful misconduct of one or more Owners, their guests, invitees or lessees, then the Board may assess the full amount of such deductible against such Owner(s) and their Lots as a Specific Assessment.

7.3.2.1 Additional Policy Requirements. All insurance coverage obtained by the Board shall:

- (1) be written with a company authorized to do business in the State of Oklahoma which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board deems appropriate;
- (2) be written in the name of the Association as trustee for the benefited parties. Policies on the Common Areas shall be for the benefit of the Association and the Members. Policies secured on behalf of Sara Pointe shall be for the benefit of the Owners within Sara Pointe and their Mortgagees, as their interests may appear;
- (3) not be brought into contribution with insurance purchased by Owners, occupants or their Mortgagees individually;
- (4) contain an inflation guard endorsement;
- (5) include an agreed amount endorsement, if the policy contains a co-insurance clause;
- (6) provide that each Owner is an insured person under the policy with respect to liability arising out of such Owner's interest in the Common Area as a Member in the Association (provided, this provision shall not be construed as giving an Owner any interest in the Common Area other than that of a Member);
- (7) provide a waiver of subrogation under the policy against any Owner or household member of an Owner;
- (8) include an endorsement precluding cancellation, invalidation, suspension or non-renewal by the insurer on account of any one or more individual Owners or on account of any curable defect or violation without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure; and
- (9) include an endorsement precluding cancellation, invalidation or condition to recovery under the policy on account of any act or omission of any one or more individual Owners, unless such Owner is acting within the scope of its authority on behalf of the Association.

7.3.2.2 Desirable Policy Components. In addition, the Board shall use reasonable efforts to secure insurance policies which list the Owners as additional insureds and provide:

- (1) a waiver of subrogation as to any claims against the Association's Board, officers, employees and its manager, the Owners and their tenants, servants, agents and guests;
- (2) a waiver of the insurer's rights to repair and reconstruct instead of paying cash;
- (3) an endorsement excluding Owners' individual policies from consideration under any "other insurance" clause;
- (4) an endorsement requiring at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal;
- (5) a cross liability provision; and
- (6) a provision vesting in the Board exclusive authority to adjust losses; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related to the loss.

7.3.3 Restoring Damaged Improvements. In the event of damage to or destruction of Common Area or other property which the Association is obligated to insure, the Board or its duly authorized agent shall file and adjust all insurance claims and obtain reliable and detailed estimates of the cost of repairing or restoring the property to substantially the condition in which it existed prior to the damage, allowing for changes or improvements necessitated by changes in applicable building codes.

Damaged improvements on the Common Area shall be repaired or reconstructed unless the Members representing at least seventy-five percent (75%) of the total Class "A" votes in the Association and the Class "B" Member, if any, decide within sixty (60) days after the loss not to repair or reconstruct. If either the insurance proceeds or estimates of the loss, or both, are not available to the Association within such sixty (60) day period, then the period shall be extended until such funds or information are available. However, such extension shall not exceed sixty (60) additional days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Area shall be repaired or reconstructed.

If a decision is made not to restore the damaged improvements and no alternative improvements are authorized, the affected property shall be cleared of all debris and ruins and thereafter shall be maintained by the Association in a neat and attractive, landscaped condition consistent with the Sara Pointe-Wide Standard.

Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be retained by the Association for the benefit of Members or Owners of Lots, as appropriate, and placed in a capital improvements

account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Lot.

If insurance proceeds are insufficient to cover the costs of repair or reconstruction, the Board may, without a vote of the Members, levy Special Assessments to cover the shortfall against those Owners responsible for the premiums for the applicable insurance coverage under Section 7.3.1 of this Declaration.

#### **7.4 Compliance and Enforcement.**

Every Owner and occupant of a Lot shall comply with the Governing Documents. The Board may impose sanctions for violation of the Governing Documents after notice and a hearing in accordance with the procedures set forth in Section 3.24 of the Bylaws. Such sanctions may include, without limitation:

- (1) imposing reasonable monetary fines which shall constitute a lien on the violator's Lot. (In the event that any occupant, guest or invitee of a Lot violates the Governing Documents and a fine is imposed, the fine shall first be assessed against the violator, but if the fine is not paid by the violator within the time set by the Board, the Owner shall pay the fine on notice from the Board);
- (2) suspending an Owner's right to vote in all matters;
- (3) suspending any Person's right to use any recreational facilities within the Common Area; provided, however, nothing herein shall authorize the Board to limit ingress or egress to or from a Lot;
- (4) suspending any services provided by the Association to an Owner or the Owner's Lot if the Owner is more than thirty (30) days delinquent in paying any assessment or other charge owed to the Association;
- (5) exercising self-help or taking action to abate any violation of the Governing Documents in a non-emergency situation;
- (6) requiring an Owner, at the Owner's expense, to remove any structure or improvement on such Owner's Lot in violation of Article 4 of this Declaration and to restore the Lot to its previous condition and, on failure of the Owner to do so, the Board or its designee shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as previously existed and any such action shall not be deemed a trespass;
- (7) without liability to any Person, prohibiting any contractor, subcontractor, agent, employee or other invitee of an Owner who fails to comply with the terms and provisions of Article 4 of this Declaration from continuing or performing any further activities in Sara Pointe; and

(8) levying Specific Assessments to cover costs incurred by the Association to bring a Lot into compliance with the Governing Documents.

In addition, the Board may take the following enforcement procedures to ensure compliance with the Governing Documents without the necessity of compliance with the procedures set forth in Section 3.24 of the Bylaws; exercising self-help in any emergency situation (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations); and bringing suit at law or in equity to enjoin any violation or to recover monetary damages or both.

In addition to any other enforcement rights, if an Owner fails properly to perform such Owner's maintenance responsibility, the Association may Record a notice of violation or perform such maintenance responsibilities and assess all costs incurred by the Association against the Lot and the Owner as a Specific Assessment. Except in an emergency situation, determined in the sole discretion of the Board, the Association shall provide the Owner with reasonable notice and an opportunity to cure the problem prior to taking such enforcement action.

All remedies set forth in the Governing Documents shall be cumulative of any remedies available at law or in equity. In any action to enforce the Governing Documents, if the Association prevails, it shall be entitled to recover all costs, including, without limitation, attorneys fees and court costs, reasonably incurred in such action.

The Association shall not be obligated to take any action if the Board reasonably determines that the Association's position is not strong enough to justify taking such action. Such a decision shall not be construed a waiver of the right of the Association to enforce such provision at a later time under other circumstances or estop the Association from enforcing any other covenant, restriction or rule.

The Association, by agreement, may, but shall not be obligated to, enforce applicable city and county ordinances and may, but shall not be obligated to, permit Canadian County or the City of Mustang to enforce ordinances within the Property for the benefit of the Association and the Members.

While conducting the business affairs of the Association, the Board shall act within the scope of the Governing Documents and in good faith to further the legitimate interests of the Association and the Members. In fulfilling its governance responsibilities, the Board's actions shall be governed and tested by the rule of reasonableness. The Board shall exercise its power in a fair and nondiscriminatory manner and shall adhere to the procedures established in the Governing Documents.

## **7.5 Implied Rights; Board Authority.**

The Association may exercise any right or privilege expressly given to the Association by the Governing Documents, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided in the Governing Documents

or by law, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

### **7.6 Indemnification of Officers, Directors and Others.**

Subject to Oklahoma law, the Association shall indemnify every officer, Director and committee member, including the Design Review Board and Architectural Review Committee against all damages and expenses, including legal fees, reasonably incurred in connection with any claim, action, suit or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which such individual may be a party by reason of being or having been an officer, Director or committee member, except that such obligation to indemnify shall be limited to those actions for which liability is limited under this section.

The officers, Directors and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and Directors shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association (except to the extent that such officers or Directors may also be Members of the Association).

The Association shall indemnify and forever hold each such officer, Director and committee member harmless from any and all liability to others on account of any such contract, commitment or action. This right to indemnification shall not be exclusive of any other rights to which any present or former officer, Director or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

### **7.7 Security.**

The Association may, but shall not be obligated to, maintain or support certain activities at Sara Pointe designed to enhance the security of Sara Pointe. Neither the Association nor Declarant are insurers or guarantors of security at Sara Pointe, nor shall either be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.

The Association and Declarant make no representation or warranty that any systems or measures, including any mechanism or system for limiting access to Sara Pointe, cannot be compromised or circumvented, or that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands and covenants to inform tenants and all occupants of such Owner's Lot that the Association, the Board and committee members and Declarant are not insurers and that each Person at Sara Pointe assumes all risks of personal injury and loss or damage to property, including Lots and the contents of Lots, resulting from acts of third parties.

## **7.8 Provision of Services.**

The Board may enter into and terminate contracts or agreements with other entities, including Declarant, to provide services to and facilities for the Members and their guests, lessees and invitees; the Board may charge use and consumption fees for such services and facilities. By way of example, some services and facilities which might be offered include landscape maintenance, pest control service, cable television service, security, caretaker, transportation, fire protection, utilities and similar services and facilities.

## **7.9 Facilities and Services Open to the Public.**

Certain facilities and areas within the Common Area may be open for the use and enjoyment of the public. Such facilities and areas may include, by way of example: greenbelts, trails and paths, a town center, parks and other neighborhood spots at which to gather and interact and roads, sidewalks, medians and parking lots. Declarant may designate such areas and facilities as open to the public at the time Declarant makes such facilities or areas a part of the Common Area or the Board may so designate at any time thereafter.

## **7.10 Association's Responsibility with Respect to Transfer of Lots.**

If required by law, the Association shall furnish to the purchaser of a Lot, within seven (7) days after receipt of notice of a pending sale of the Lot given in accordance with Article 16 of this Declaration, a copy of the Governing Documents, if not otherwise received by the purchaser in connection with such sale and a dated document containing the following:

- (1) the telephone number and address of a principal contact for the Association, as designated by the Board;
- (2) the amount of all assessments, fees or charges then owed by the seller of the Lot;
- (3) a statement regarding whether any portion of the subject Lot is covered by insurance the Association maintains;
- (4) a statement regarding whether the Association has any knowledge of any alterations or improvements to the Lot that violate any provision of this Declaration;
- (5) a statement as to whether the Association has knowledge of any violations of local health or building codes with respect to the Lot; and
- (6) a statement of case names and case numbers for pending litigation with respect to the Lot filed by the Association against the Member or filed by the Member against the Association.

The Association may charge a fee to cover the costs the Association incurs in preparing any document required by this section.

## **Article 8 Association Finances.**

### **8.1 Budgeting and Allocating Common Expenses.**

Prior to or contemporaneous with the invoicing of assessments, the Board shall prepare a

budget of the estimated Common Expenses for the coming year, including any contributions to be made to a reserve fund pursuant to Section 8.2 of this Declaration. The budget shall also reflect the sources and estimated amounts of funds to cover such expenses, which may include any surplus to be applied from prior years, any income expected from sources other than assessments levied against the Lots and the amount to be generated through the levy of Base Assessments and Special Assessments against the Lots, as authorized in Section 8.5 of this Declaration.

The Association is hereby authorized to levy Base Assessments, in accordance with the initial amounts set forth in Exhibit "D," or by some other formula, against all Lots subject to assessment under Section 8.5 of this Declaration to fund the Common Expenses.

The Board shall send a copy of the final budget, together with notice of the amount of the Base Assessment to be levied pursuant to such budget, to each Owner. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members as provided for special meetings in Section 2.4 of the Bylaws, which petition must be presented to the Board within ten (10) days after delivery of the budget and notice of any assessment.

If any proposed budget is disapproved or the Board fails for any reason to determine the budget for any year, then the budget most recently in effect shall continue in effect until a new budget is determined.

The Board may revise the budget and adjust the Base Assessment from time to time during the year, subject to the notice requirements and the right of the Members to disapprove the revised budget as set forth above. Notwithstanding any provision to the contrary, the Board may, in its sole discretion, increase the Base Assessment, provided such increase is uniform to all Lots and is no greater than twenty percent (20%) in any fiscal year.

## **8.2 Budgeting for Reserves.**

The Board shall prepare and review at least annually reserve budgets for the Common Area. The budget shall take into account the number and nature of replaceable assets, the expected life of each asset and the expected repair or replacement cost. The Board shall include in the Common Expense budget adopted pursuant to Section 8.1 of this Declaration capital contributions to fund reserves in amounts sufficient to meet projected needs with respect both to amount and timing by annual contributions over the applicable budget period.

## **8.3 Special Assessments.**

In addition to other authorized assessments, the Association may levy Special Assessments to cover unbudgeted expenses or expenses in excess of the amount budgeted. Any such Special Assessment will be levied against the entire membership in accordance with the formula set forth in Exhibit "D." Except as otherwise specifically provided in this Declaration, any Special Assessment shall require the affirmative vote or written consent of Members

representing more than fifty percent (50%) of the total votes allocated to Lots which will be subject to such Special Assessment and the affirmative vote or written consent of the Class "B" Member, if such exists. Special Assessments shall be payable in such manner and at such times as determined by the Board and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved.

#### **8.4 Specific Assessments.**

The Association shall have the power to levy Specific Assessments against a particular Lot as follows:

(1) to cover the costs, including overhead and administrative costs, of providing services to a Lot on request of an Owner pursuant to any menu of special services which may be offered by the Association (which might include the items identified in Section 7.8 of this Declaration). Specific Assessments for special services may be levied in advance of the provision of the requested service; and

(2) to cover costs incurred in bringing a Lot into compliance with the Governing Documents, or costs incurred as a consequence of the conduct of the Owner or occupants of a Lot, their agents, contractors, employees, licensees, invitees, or guests; provided, the Board shall give the Lot Owner prior written notice and an opportunity for a hearing, in accordance with Section 3.24 of the Bylaws, before levying any Specific Assessment under this subsection (2).

The Association may levy a Specific Assessment against specific Lots to reimburse the Association for costs incurred in bringing such Lots into compliance with the provisions of the Governing Documents, provided the Board gives prior written notice to the Owners of such Lots and such Owners are given an opportunity to be heard before levying any such assessment.

#### **8.5 Authority to Assess Owners; Time of Payment.**

Declarant hereby establishes and the Association is hereby authorized to levy assessments as provided in this Article and elsewhere in the Governing Documents. The obligation to pay assessments shall commence with the Recording of this Declaration.

Assessments shall be paid in such manner and on such dates as the Board may establish. The Board may require advance payment of assessments at the closing of the transfer of title to a Lot and impose special requirements for Owners with a history of delinquent payment. If the Board so approves, assessments may be paid in two (2) or more installments. Unless the Board otherwise provides, the Base Assessment shall be due and payable in advance on the first (1<sup>st</sup>) day of each fiscal year. If any Owner is delinquent in paying any assessments or other charges levied on his Lot, the Board may require the outstanding balance on all assessments to be paid in full immediately.

## **8.6 Obligation for Assessments.**

**Personal Obligation.** Each Owner, by accepting a deed or entering into a Recorded contract of sale for any portion of Sara Pointe, is deemed to covenant and agree to pay all assessments authorized in the Governing Documents. All assessments, together with interest (computed from its due date at a rate of ten percent [10%] per annum or such higher rate as the Board may establish, subject to the limitations of Oklahoma law), late charges as determined by Board resolution, costs and reasonable attorneys' fees, shall be the personal obligation of each Owner and a lien on each Lot until paid in full. On a transfer of title to a Lot, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance.

Failure of the Board to fix assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay Base Assessments on the same basis as during the last year for which an assessment was made, if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

No Owner may exempt themselves from liability for assessments by non-use of Common Area, abandonment of a Lot or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action it takes.

The Association shall, on written request from an Owner, Mortgagee or other Person designated by the Owner, furnish a certificate, in recordable form, signed by an officer of the Association setting forth whether assessments for such Owner's Lot have been paid and any delinquent amount. Such certificate shall be binding on the Association, the Board and the Owners. If the Association fails to provide such certificate within seven (7) business days of receipt of a written request, any lien for unpaid assessments then due shall be extinguished, if Oklahoma law requires extinguishment in such case. The Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

## **8.7 Lien for Assessments.**

All assessments and other charges of the Association authorized in this Article or elsewhere in this Declaration shall constitute a lien against the Lot against which they are levied from the time such assessments or charges become delinquent until paid. The lien shall also secure payment of interest (subject to the limitations of Oklahoma law), late charges (subject to the limitations of Oklahoma law) and costs of collection (including attorneys' fees, lien fees and administrative costs). Such lien shall be superior to all other liens, except those deemed by

Oklahoma law to be superior. The Association may enforce such lien, when any assessment or other charge is delinquent, by suit, judgment and foreclosure.

The Association may bid for the Lot at the foreclosure sale and acquire, hold, lease, mortgage and convey the Lot. While a Lot is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be levied on it; and (c) each other Lot shall be charged, in addition to its usual assessment, its pro rata share of the assessment that would have been charged such Lot had it not been acquired by the Association. The Association may sue for unpaid assessments and other charges authorized hereunder without foreclosing or waiving the lien securing the same.

The sale or transfer of any Lot shall not affect the assessment lien or relieve such Lot from the lien for any subsequent assessments. However, the sale or transfer of any Lot pursuant to foreclosure of the first Mortgage shall extinguish the lien as to any installments of such assessments due prior to the Mortgagee's foreclosure. The subsequent Owner to the foreclosed Lot shall not be personally liable for assessments on such Lot due prior to such acquisition of title. Such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Lots subject to assessment under Section 8.5 of this Declaration, including such acquirer, its successors and assigns.

Notwithstanding any other provision of this Declaration, no governmental authority or public utility shall be liable for assessments on any Dedicated Property. Dedicated Property shall include, without limitation, such areas created by or dedicated in the form of easements, including, perpetual easements, tract easements and easements in favor of the City of Mustang or municipal use property.

If only a portion of a Lot is Dedicated Property, any assessments which arose prior to the dedication shall remain due and owing against the non-dedicated portion of the Lot. If the entire Lot is Dedicated Property, such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Lots subject to assessment under Section 8.5 of this Declaration.

In the event that a lien exists on any Dedicated Property: (a) if only a portion of the Lot is Dedicated Property, the lien shall remain in effect with respect to the undedicated portion of the Lot and shall terminate with respect to the Dedicated Property, or (b) if the entire Lot is Dedicated Property, the lien shall terminate with respect to the entire Lot.

### **8.8 Exempt Property.**

Notwithstanding any provision to the contrary in the Governing Documents, the following property shall be exempt from payment of Base Assessments and Special Assessments:

- (1) All Common Area and such portions of the property owned by Declarant as are included in the Common Area pursuant to Section 7.2 of this Declaration;

(2) Any and all Dedicated Property including, without limitation such areas created by or dedicated in the form of easements, including, perpetual easements, tract easements and easements in favor of the City of Mustang or property identified on the Development Plan as municipal use property; and

(3) All property held by the Declarant, the Declarant's successors and its assigns, provided further that the Declarant, the Declarant's successors and assigns shall be exempt from Specific Assessments and Reserve Assessments.

In addition, Declarant and/or the Association shall have the right, but not the obligation, to grant exemptions to certain Persons qualifying for tax exempt status under Section 501(c) of the Internal Revenue Code so long as such Persons own property subject to this Declaration for purposes listed in Section 501(c).

### **8.9 Limitation on Increases of Assessments.**

Notwithstanding any provision to the contrary, the Board may not impose an assessment increase exceeding that allowable under Oklahoma law.

## **PART FOUR: COMMUNITY DEVELOPMENT**

This Declaration reserves various rights to Declarant in order to facilitate the smooth and orderly development of Sara Pointe and to accommodate changes in the Development Plan which inevitably will occur as Sara Pointe grows and matures.

### **Article 9 Condominium Conversions.**

In the event that any property now or hereafter subjected to this Declaration and located within the property described in Exhibit "A" is converted to a condominium, the owner of such property, subject to Declarant's approval requirements below, shall, subject such property to the provisions of this Declaration by Recording a Supplemental Declaration describing the property and specifically subjecting it to the terms of this Declaration. Such Supplemental Declaration shall not require the consent of the Association but shall require the signature of an officer of the Association acknowledging it. In addition, Declarant's prior written consent shall be necessary so long as Declarant owns any property described in Exhibit "A." Thereafter, each condominium unit within the condominium shall be treated in all respects as a Lot.

### **Article 10 Additional Rights.**

#### **10.1 Marketing and Sales Activities.**

Declarant and Builders authorized by Declarant may construct and maintain on portions of the Common Area such facilities and activities as, in the sole opinion of Declarant, may be reasonably required, convenient or incidental to the construction or sale of Lots, including, but

not limited to, business offices, signs, model units and sales offices. Declarant and authorized Builders shall have a license with interest for access to and use of such facilities.

**10.2 Right to Develop.**

Declarant and the Declarant's employees, agents and designees shall have a right of access and use and an easement over and on all of the Common Area for the purpose of making, constructing and installing such improvements to the Common Area as the Declarant deems appropriate in the Declarant's sole discretion.

Every Person that acquires any interest in Sara Pointe acknowledges that Sara Pointe is a planned community, the development of which is likely to extend over many years and agrees not to use Association funds to protest, challenge or otherwise object to changes in the Development Plan and, in particular, no Association funds shall be used to challenge, protest, object to or otherwise interfere with the Declarant's development activities in Sara Pointe.

**10.3 Right to Approve Changes in Standards.**

No amendment to or modification of any Use Restrictions and Rules shall be effective without prior notice to and the written approval of Declarant so long as Declarant owns property subject to this Declaration.

**10.4 Right to Transfer or Assign Declarant Rights.**

Any or all of the special rights and obligations of Declarant set forth in this Declaration or the Bylaws may be transferred in whole or in part to other Persons; provided, the transfer shall not reduce an obligation nor enlarge a right beyond that which Declarant has under this Declaration or the Bylaws. No such transfer or assignment shall be effective unless it is in a written instrument signed by Declarant and duly Recorded. The foregoing sentence shall not preclude Declarant from permitting other Persons to exercise, on a one time or limited basis, any right reserved to Declarant in this Declaration where Declarant does not intend to transfer such right in its entirety and in such case it shall not be necessary to Record any written assignment unless necessary to evidence Declarant's consent to such exercise.

**10.5 Exclusive Rights to use Name of Development.**

No Person shall use the name "East Pointe Addition Section 2," "Sara Pointe," the name used in marketing of East Pointe Addition Section 2 or any derivative of such names in any printed, electronic or promotional material without Declarant's prior written consent. However, Owners may use the name "East Pointe" in printed or promotional matter where such term is used solely to specify that particular property is located at East Pointe Addition Section 2.

**10.6 Termination of Rights.**

The rights contained in this Article shall not terminate until the earlier of (a) the date of termination of the Class B Control Period pursuant to Section 6.3 of this Declaration or (b) Recording by Declarant, in the sole discretion of the Declarant, of a written statement terminating such rights.

**PART FIVE: PROPERTY RIGHTS WITHIN THE COMMUNITY**

The nature of living in a planned community, with its wide array of properties and development types and ongoing development activity, requires the creation of special property rights and provisions to address the needs and responsibilities of the Owners, Declarant, the Association and others in or adjacent to the community.

**Article 11 Easements.**

**11.1 Easements in Common Area.**

Declarant grants to each Owner a nonexclusive right and easement of use, access and enjoyment in and to the Common Area, subject to:

(vii) designate certain areas and facilities within the Common Area as open for the use and enjoyment of the public in accordance with Section 7.9 of this Declaration.

Any Owner may extend the rights of use and enjoyment hereunder to the members of such Owner's family, lessees and social invitees, as applicable, subject to reasonable regulation by the Board. An Owner who leases a Lot shall be deemed to have assigned all such rights to the lessee of such Lot for the period of the lease.

Each Owner shall have an express covenant and easement for light, air, sound and view in and around the Common Areas. A framework for preserving such covenant and easement is provided by the standards outlined in the Design Review Guidelines, the Governing Documents and the Sara Pointe-Wide Standard. This covenant and easement seek to preserve the tranquil, peaceful and aesthetically pleasing enjoyment of Owners within the Common Area. This covenant and easement shall not purport to provide any Owner substantive rights in any Lot burdened by this easement, only that the Owners may expect the Design Review Board to interpret and enforce the Design Review Guidelines to encourage a natural, peaceful and aesthetically pleasing Common Area enjoyment experience.

Declarant, so long as Declarant owns any of the Property and the Association shall have the right to grant easements in and to the Common Area to any service provider or third-party contractor as may be necessary, in the sole discretion of Declarant or the Association, in connection with such service provider's or contractor's provision of services to East Pointe. Any such easements shall be subject to any limitations or restrictions placed on the easement by the grantor. The grantor of such easements, either Declarant or the Association, shall have the right to require specifically that the party exercising the easements, after exercising the easement, take restorative or ameliorative action with respect to the burdened property.

### **11.2 Easements of Encroachment.**

Declarant grants reciprocal appurtenant easements of encroachment and for maintenance and use of any permitted encroachment, between each Lot and any adjacent Common Area due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed or altered thereon (in accordance with the terms of these restrictions) to a distance of not more than three (3) feet, as measured from any point on the common boundary along a line perpendicular to such boundary. However, in no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of, or with the knowledge and consent of, the Person claiming the benefit of such easement.

**11.3 Easements for Utilities, Etc.**

(1) The Property shall be subject to such easements as are set forth in any and all separate, duly Recorded instruments, including without limitation, any and all applicable subdivision plats, maps of dedication, easements and easement agreements, subject to such terms, conditions, limitations or restrictions as may be set forth in such separate instruments. Such easements may include (but shall not be required to include) easements for ingress and egress, private streets, public and private paths and trails, access for maintenance purposes, drainage and storm drains, landscape irrigation, private and public utilities, open space and visibility, emergency vehicle and service vehicle access. Declarant and the Association, for themselves and their respect successors and assigns, each reserve the right to grant, convey and dedicate over, on, beneath and across any land owned by either, any and all easements deemed appropriate, whether in favor of any governmental entity, including Canadian County and the City of Mustang, any public or private utility company, or any other third party, on such terms and subject to such conditions, limitations or restrictions as may be necessary or appropriate to carry out the purpose of such easement.

(2) Declarant also reserves for itself and grants to the Association the non-exclusive right and power to grant and Record such specific easements as may be necessary, in the sole discretion of Declarant or the Association, as applicable, in connection with the orderly development of any of the Property.

(3) All work associated with the exercise of the easements described in subsections (1) and (2) of this section shall be performed in such a manner as to minimize interference with the use and enjoyment of the property burdened by the easement. The grantor of the easements described in subsection (1) or (2), either Declarant or the Association, shall have the right to require specifically that the party exercising the easement, after exercising the easement, take restorative or ameliorative action with respect to the burdened property. On completion of the work, the Person exercising the easement shall restore the property, to the extent reasonably possible, to its condition prior to the commencement of the work. The exercise of these easements shall not extend to permitting entry into the structures on any Lot, nor shall it unreasonably interfere with the use of any Lot and, except in an emergency, entry onto any Lot shall be made only after reasonable notice to the Owner or occupant.

**11.4 Easements for Maintenance, Emergency and Enforcement.**

Declarant reserves to itself and grants to the Association easements over East Pointe as necessary to enable the Association to fulfill its maintenance responsibilities under Section 7.2 of this Declaration. The Association shall also have the right, but not the obligation, to enter on any Lot for emergency, security and safety reasons, to perform maintenance and to inspect for the purpose of ensuring compliance with and enforce Governing Documents; provided, however, except to avoid imminent threat of personal injury or property damage, entry into any portion of any property not generally open to the public shall only be authorized during reasonable hours and after receipt of the consent of the Owner or occupant, which consent shall not unreasonably be withheld.

Declarant, the Association and their successors, assigns and designees shall have an access easement over and across any of East Pointe abutting or containing any Detention/Retention Area to the extent reasonably necessary to exercise their rights under this section.

Declarant reserves for itself, the Association and their successors, assigns and designees, a perpetual, nonexclusive right and easement of access and encroachment over the Common Area and Lots (but not the dwellings thereon) adjacent to or within one hundred (100) feet of any Detention/Retention Area at East Pointe, in order to (a) alter in any manner and generally maintain any irrigation lake within the Common Area; and (b) maintain and landscape the slopes and banks pertaining to such areas. All persons entitled to exercise these easements shall use reasonable care in and repair any damage resulting from the intentional exercise of such easements. Nothing herein shall be construed to make Declarant, the Association or any other Person liable for damage or injury resulting from flooding or surface runoff due to rainfall or other natural occurrences.

**11.6 Easements for Drainage Areas.**

This Declaration hereby creates in favor of Declarant, so long as Declarant owns any of the Property and the Association and their successors, assigns and designees, the nonexclusive right and easement to enter on drainage ways, drainage culverts, natural drainage areas, washes and wash areas, other areas at East Pointe, including areas within Lots, used to drain surface runoff and flood waters and any improvements and equipment installed or used in connection therewith (collectively, "Drainage Areas") to install, maintain, repair and replace such areas and

property. Except to avoid imminent threat of personal injury or property damage, entry onto any portion of any property not generally open to the public shall only be authorized during reasonable hours and after receipt of the Owner's or occupant's consent, which consent shall not unreasonably be withheld.

Except to avoid imminent threat of personal injury or property damage, entry onto any portion of any property not generally open to the public shall only be authorized during reasonable hours and after receipt of the Owner's or occupant's consent, which consent shall not unreasonably be withheld.

## **PART SIX: RELATIONSHIPS WITHIN AND OUTSIDE THE COMMUNITY**

The growth and success of Sara Pointe as a community in which people enjoy living, working and playing requires good faith efforts to resolve disputes amicably, attention to and understanding of relationships within the community and with its neighbors and protection of the rights of others who have an interest in the community.

### **Article 12 Dispute Resolution and Limitation on Litigation.**

#### **12.1 Consensus for Association Litigation.**

Except as provided in this section, the Association shall not commence a judicial or administrative proceeding without the approval at least two-thirds (2/3rds) of the Members. This section shall not apply, however, to (a) actions brought by the Association to enforce Governing Documents (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments; (c) proceedings involving challenges to ad valorem taxation; or (d) counterclaims brought by the Association in proceedings instituted against it. This section shall not be amended unless such amendment is approved by the percentage of votes and pursuant to the same procedures, necessary to institute proceedings as provided above.

Prior to the Association or any Member commencing any judicial or administrative proceeding to which Declarant is a party and which arises out of an alleged defect at East Pointe or any improvement constructed on East Pointe, Declarant shall have the right to be heard by the Members, or the particular Member and to access, inspect, correct the condition of or redesign any portion of East Pointe, including any improvement as to which a defect is alleged. In addition, the Association or the Member shall notify the builder who constructed the subject improvement prior to retaining any other expert as an expert witness or for other litigation purposes.

## **12.2 Dispute Resolution and Enforcement.**

Subject to Section 12.1 of this Declaration, prior to the Declarant, Association or any Member bringing any judicial or administrative proceeding under the Governing Documents or for a claim against the Declarant, Association or any Member, such Person making a claim shall make a good faith attempt to negotiate in person with the other party, including seeking formal pre-litigation mediation, for the resolution of the dispute. In the event good faith negotiations fail to resolve the dispute, the Person shall thereafter be entitled to sue in any court of competent jurisdiction or to initiate proceedings before any appropriate administrative tribunal on their claim. Each Party shall bear its own costs of any mediation, including attorneys' fees and each Party shall share equally all charges rendered by any mediator. If the Parties agree to a resolution of any claim through negotiation or mediation and any Party thereafter fails to abide by the terms of such agreement, then any other Party may file suit or initiate administrative proceedings to enforce such agreement without the need to again comply with the procedures set forth above. In such event, the Party taking action to enforce the agreement shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement, including, without limitation, attorneys' fees and court costs.

Each Owner shall comply strictly with the Governing Documents, including any rules, regulations and resolutions of the Association. Failure to so comply shall be grounds for the taking of such actions elsewhere provided for in the Governing Documents, including but not limited to the institution of legal proceedings in an action at law and/or in equity. Should the Declarant or Association engage legal counsel for representation, all costs associated with such engagement, including litigation costs and expenses shall be recovered from the other party, which may be a Specific Assessment if the other party is a Member. No delay, failure or omission on the part of the Declarant or Association in exercising any right, power or remedy provided in these Governing Documents shall be construed as an acquiescence thereto or shall be deemed a waiver of the right to enforce such right, power or remedy thereafter as to the same violation or breach and shall act as no bar to enforcement.

**17.1 By Declarant.**

In addition to specific amendment rights granted elsewhere in this Declaration and without restriction by any term within this Declaration, until termination of the Class "B" membership, Declarant may unilaterally amend this Declaration for any purpose and at any time, including during restrictive periods. Thereafter, Declarant may unilaterally amend this Declaration if such amendment is necessary (i) to bring any provision into compliance with any applicable governmental statute, rule, regulation or judicial determination; (ii) to enable any reputable title insurance company to issue title insurance coverage on the Lots; (iii) to enable any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee mortgage loans on the Lots; or (iv) to satisfy the requirements of any local, state or federal governmental agency.

Any such amendment shall not adversely affect the title to any Lot unless the Owner shall consent in writing. In addition, so long as Declarant owns any of the Property, the Declarant may unilaterally amend this Declaration for any other purpose, provided the amendment has no material adverse effect on any right of any Owner.

**17.2 By Members.**

Except as otherwise specifically provided above and elsewhere in this Declaration, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Members representing seventy-five percent (75%) of the total Class "A" votes in the Association, including seventy-five percent (75%) of the Class "A" votes held by Members other than Declarant and the consent of Declarant, so long as Declarant owns any property subject to this Declaration. In addition, the approval requirements set forth in Article 13 of this Declaration shall be met, if applicable.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

**17.3 Validity and Effective Date.**

No amendment may remove, revoke or modify any right or privilege of Declarant or the Class "B" Member without the written consent of Declarant or the Class "B" Member, respectively (or the assignee of such right or privilege).

If an Owner consents to any amendment to this Declaration or the Bylaws, it will be conclusively presumed that such Owner has the authority to consent and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

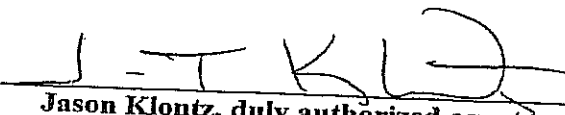

Any amendment shall become effective on Recording, unless a later effective date is specified in the amendment. Any procedural challenge to an amendment must be made within six (6) months of Recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration.

**17.4 Exhibits.**

Exhibits "A" and "D" attached to this Declaration are incorporated by this reference and amendment of such exhibits shall be governed by this Article. All other exhibits are attached for informational purposes and may be amended as provided therein or in the provisions of this Declaration which refer to such exhibits.

**2.2 Place of Meetings.** Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as the Board may designate.

**2.3 Annual Meetings.** The first meeting of the Members of the Association, whether a regular or special meeting, shall be held at such time as the Declarant, in the Declarant's sole discretion, determines a sufficient number of Lots are owner-occupied. Meetings shall be of Members and, if required by law, shall be open to all Members. Subsequent regular annual meetings shall be set by the Board to occur during the fourth quarter of the Association's fiscal year on a date and at a time set by the Board.

**2.4 Special Meetings.** Subject to the Declarant's discretion, the President may call special meetings. In addition, it shall be the duty of the President, subject to Declarant approval, to call a special meeting if so directed by resolution of the Board, on a petition signed by Members representing at least twenty-five percent (25%) of the total Class "A" votes of the Association.

**2.5 Notice of Meetings.** Written or printed notice stating the place, day and hour of any meeting of Members shall be posted at the entrance to Sara Pointe or delivered, either personally or by mail, to each Member entitled to vote at such meeting and, if required by law, to all Members not less than ten (10) nor more than sixty (60) days before the date of such meeting, by or at the direction of the President or the Secretary or the officers or persons calling the meeting.

In the case of a special meeting or when otherwise required by statute or these Bylaws, the purpose or purposes for which the meeting is called shall be stated in the notice. No business shall be transacted at a special meeting except as stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered three (3) days after deposit in the United States mail addressed to the Member at such Member's address as it appears on the records of the Association, with postage prepaid. If posted, the notice of a meeting shall be deemed delivered three (3) days after such notice is posted at the entrance to Sara Pointe.

**2.6 Waiver of Notice.** Waiver of notice of a meeting of Members shall be deemed the equivalent of proper notice. Any Member may waive, in writing, notice of any meeting of Members, either before or after such meeting. Attendance at a meeting by a Member shall be deemed a waiver by such Member of notice of the time, date and place thereof, unless such Member specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting shall be deemed a waiver of notice of all business transacted at such meeting, unless an objection on the basis of lack of proper notice is raised before the business is put to a vote.

**2.7 Adjournment of Meetings.** If any meeting of the Association cannot be held because a quorum is not present, a majority of Members who are present at such meeting may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business may be transacted which might have been transacted at the meeting originally called. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to Members in the manner prescribed for regular meetings.

Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum, provided that any action taken is approved by at least a majority of the votes required to constitute a quorum.

**2.8 Voting.** The voting rights of the Members shall be as set forth in the Declaration and in these Bylaws and such voting rights provisions in the Declaration are specifically incorporated herein by this reference.

**2.9 Proxies.** On any matter as to which a Member is entitled personally to cast the vote for a Lot, such vote may be cast in person, by written ballot or by proxy, subject to the limitations of Oklahoma law relating to use of general proxies and subject to any specific provision to the contrary in the Declaration or these Bylaws.

Every proxy shall be in writing specifying the Lot for which it is given, signed by the Member or such Member's duly authorized attorney-in-fact, dated and filed with the Secretary of the Association prior to the meeting for which it is to be effective. If such proxies have not been properly completed or returned in a timely fashion to the Secretary and a Member or such Member's duly authorized attorney-in-fact does not personally appear at a meeting, the vote of the Member shall be deemed to have been given to the Declarant for quorum and voting purposes. Unless otherwise specifically provided in the proxy, a proxy shall be presumed to cover all votes which the Member giving such proxy is entitled to cast. In the event of any conflict between two or more proxies purporting to cover the same voting rights, the later dated proxy shall prevail, or if dated as of the same date, both shall be deemed invalid; however, such conflicting proxies shall be counted for purposes of determining the presence of a quorum.

Every proxy shall be revocable and shall automatically cease on: (a) conveyance of any Lot for which it was given; (b) receipt by the Secretary of written notice of revocation of the proxy or of the death or judicially declared incompetence of a Member who is a natural person; or (c) on the date specified in the proxy.

**2.10 Majority.** As used in these Bylaws, the term "majority" shall mean those votes, Owners, or other group as the context may indicate, totaling more than fifty percent (50%) of the total eligible number thereof.

**2.11 Quorum.** Except as otherwise provided in these Bylaws or in the Declaration, the presence of Members representing a majority of the total Class "A" votes in the Association shall constitute a quorum at all meetings of the Association. Any Member or their duly authorized attorney-in-fact not personally present at a meeting and who has not properly completed or returned their proxy in a timely fashion to the Secretary shall be deemed to have given to the Declarant the vote of such Member for quorum and voting purposes.

**2.12 Conduct of Meetings.** The President shall preside over all meetings of the Association and the Secretary shall keep the minutes of the meetings and record in a minute book all resolutions adopted and all other transactions occurring at such meetings.

**2.13 Action without a Meeting.** Any action required or permitted by law to be taken at a meeting of Members may be taken without a meeting, without prior notice and without a vote if written consent specifically authorizing the proposed action is signed by Members holding at least the minimum number of votes necessary to authorize such action at a meeting if all Members entitled to vote thereon were present. Such consents shall be signed within sixty (60) days after receipt of the earliest dated consent, dated and delivered to the Association. Such consents shall be filed with the minutes of the Association and shall have the same force and effect as a vote of Members at a meeting. Within ten (10) days after receiving authorization for

any action by written consent, the Secretary shall give written notice to all Members entitled to vote who did not give their consent, fairly summarizing the material features of the authorized action.

### **Article 3 Board of Directors: Number, Powers, Meetings**

A "resident" shall be any natural person eighteen (18) years of age or older whose principal residence is a Lot within Sara Pointe. In the case of a Member which is not a natural person, any officer, director, partner or trust officer of such Member shall be eligible to serve as a director unless otherwise specified by written notice to the Association signed by such Member; provided, no Member may have more than one (1) such representative on the Board at a time, except in the case of directors appointed by the Class "B" Member.

**3.3 Directors During Class "B" Control Period.** Subject to the provisions of Section 3.5 of these Bylaws, the directors shall be selected by the Class "B" Member acting in its sole discretion and shall serve at the pleasure of the Class "B" Member until the first to occur of the following:

- (a) when the Class "B" Control Period should cease; or
- (b) when, in the Class "B" Member's discretion, the Class "B" Member so determines.

#### **3.4 Nomination and Election Procedures.**

(1) **Nominations and Declarations of Candidacy.** Prior to each election of Directors, the Board shall prescribe the opening date and the closing date of a reasonable filing period in which each and every eligible person who has a bona-fide interest in serving as a Director may file as a candidate for any position to be filled by Class "A" votes. The Board shall also establish such other rules and regulations as the Board deems appropriate to conduct the nomination of directors in a fair, efficient and cost-effective manner.

Except with respect to Directors selected by the Class "B" Member, nominations for election to the Board may also be made by a Nominating Committee. The Nominating Committee, if any, shall consist of a Chairman, who shall be a member of the Board and three or

more Members or representatives of Members. The members of the Nominating Committee shall be appointed by the Board not less than thirty (30) days prior to each annual meeting to serve a term of one (1) year and until their successors are appointed and such appointment shall be announced in the notice of each election.

The Nominating Committee may make as many nominations for election to the Board as the Nominating Committee shall, in its discretion, determine. The Nominating Committee shall nominate separate slates for the Directors, if any, to be elected at large by all Class "A" votes. In making nominations, the Nominating Committee shall use reasonable efforts to nominate candidates representing the diversity which exists within the pool of potential candidates.

Each candidate shall be given a reasonable, uniform opportunity to communicate qualifications to the Members and to solicit votes.

(2) **Election Procedures.** Each Member may cast all votes assigned to the Lots which such Member represents for each position to be filled from the slate of candidates on which such Member is entitled to vote. There shall be no cumulative voting. That number of candidates equal to the number of positions to be filled receiving the greatest number of votes shall be elected. Directors may be elected to serve any number of consecutive terms.

**3.5 Election and Term of Office.** Notwithstanding any other provision of these Bylaws:

(1) During the Class "B" Control Period, the Declarant shall have the right in the Declarant's sole discretion to appoint each member of the Board. The Declarant may, but shall not be required to, appoint a resident Owner to the Board during the Class "B" Control Period. The fact that the Declarant has in the past appointed a resident Owner to the Board shall not require the Declarant to continue with such appointments.

(2) After termination of the Class "B" Control Period, the Class "B" Member shall be entitled to appoint one (1) Director, unless the Declarant waives such right in a Recorded instrument. Such Director shall be elected for a term of two (2) years and shall not be subject to removal by the Members. On the sole discretion of the Class "B" Member, the Class "B" Member appointee may resign and such position shall be filled by the Members at the next election of Directors. Within ninety (90) days after termination of the Class "B" Control Period, the Board shall be increased to nine (9) Directors, all of whom shall be elected by the Members. Five (5) Directors shall serve a term of two (2) years and four (4) Directors shall serve a term of one (1) year, as such directors determine among themselves. The Directors elected by Members shall not be subject to removal by the Class "B" Member.

On the expiration of the term of office of each Director elected by Members, Members entitled to elect such director shall be entitled to elect a successor to serve a term of two (2) years. The Directors elected by Members shall hold office until their respective successors have been elected.

**3.6 Removal of Directors and Vacancies.** Any Director elected by Members may be removed, with or without cause, by the vote of Members holding a majority of the votes entitled to be cast for the election of such Director. Any Director whose removal is sought shall be given notice prior to any meeting called for that purpose. On removal of a Director, a successor shall be elected by Members entitled to elect the Director so removed to fill the vacancy for the remainder of the term of such Director.

Any Director elected by Members who has three (3) consecutive unexcused absences from Board meetings, or who is more than thirty (30) days delinquent (or is the representative of a Member who is so delinquent) in the payment of any assessment or other charge due the Association, may be removed by a majority of the Directors present at a regular or special meeting at which a quorum is present and the Board may appoint a successor to fill the vacancy for the remainder of the term.

In the event of the death, disability, or resignation of a Director, the Board may declare a vacancy and appoint a successor to fill the vacancy until the next annual meeting, at which time Members entitled to fill such directorship may elect a successor for the remainder of the term.

This section shall not apply to Directors appointed by the Class "B" Member. The Class "B" Member shall be entitled to appoint a successor to fill any vacancy on the Board resulting from the death, disability, or resignation of a Director appointed by or elected as a representative of the Class "B" Member.

## **B. MEETINGS.**

**3.7 Organizational Meetings.** The first meeting of the Board following each annual meeting of the membership shall be held within ten (10) days thereafter at such time and place as the Board shall fix.

**3.8 Regular Meetings.** Regular annual meetings of the Board may be held at such time and place as a majority of the Directors determines. Notice of the time and place of a regular meeting shall be communicated to Directors not less than four (4) days prior to the meeting; provided, however, notice of a meeting need not be given to any Director who has signed a waiver of notice or a written consent to holding of the meeting.

**3.9 Special Meetings.** Special meetings of the Board shall be held when called by written notice signed by the President or Vice President or by any two (2) Directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each Director by: (a) personal delivery; (b) first class mail, postage prepaid; (c) telephone communication, either directly to the Director or to a person at the Director's office or home who would reasonably be expected to communicate such notice promptly to the Director; or (d) facsimile, computer, fiber optics or such other communication device. All such notices shall be given at the Director's telephone number, fax number, electronic mail number, or sent to the Director's address as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at

least seven (7) business days before the time set for the meeting. Notices given by personal delivery, telephone, or other device shall be delivered or transmitted at least seventy-two (72) hours before the time set for the meeting.

**3.10 Waiver of Notice.** The transactions of any meeting of the Board, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present and (b) either before or after the meeting each of the Directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting also shall be deemed given to any Director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

**3.11 Telephonic Participation in Meetings.** Members of the Board or any committee designated by the Board may participate in a meeting of the Board or committee by means of conference telephone or similar communications equipment, by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this subsection shall constitute presence in person at such meeting.

**3.12 Quorum of Board.** At all meetings of the Board, a majority of the Directors shall constitute a quorum for the transaction of business and the votes of a majority of the Directors present at a meeting at which a quorum is present shall constitute the decision of the Board, unless otherwise specifically provided in these Bylaws or the Declaration. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of Directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a majority of the Directors present at such meeting may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the date of the original meeting. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

**3.13 Compensation.** Directors shall not receive any compensation from the Association for acting as such unless approved by Members representing a majority of the total Class "A" votes in the Association at a regular or special meeting of the Association. Any Director may be reimbursed for expenses incurred on behalf of the Association on approval of a majority of the other Directors. Nothing herein shall prohibit the Association from compensating a Director, or any entity with which a Director is affiliated, for services or supplies furnished to the Association in a capacity other than as a Director pursuant to a contract or agreement with the Association, provided that such Director's interest was made known to the Board prior to entering into such contract and such contract was approved by a majority of the Board, excluding the interested Director.

**3.14 Conduct of Meetings.** The President shall preside over all meetings of the Board and the Secretary shall keep a minute book of Board meetings, recording all Board resolutions and all transactions and proceedings occurring at such meetings.

**3.15 Notice to Owners; Open Meetings.** Except in an emergency, notice of the time and place of Board meetings shall be posted at least forty-eight (48) hours in advance of the meeting at a conspicuous place within Sara Pointe which the Board establishes for the posting of notices relating to the Association. Notice of any meeting at which assessments are to be established shall state that fact and the nature of the assessment. All meetings of the Board shall be open to all Members and, if required by law, all Owners, but attendees other than Directors may not participate in any discussion or deliberation unless permission to speak is authorized by a vote of the majority of a quorum of the Board. In such case, the President may limit the time any such individual may speak. Notwithstanding the above, the President may adjourn any meeting of the Board and reconvene in executive session and may exclude persons other than Directors, to discuss any or all of the following:

- (a) employment or personnel matters for employees of the Association;
- (b) legal advice from an attorney retained for the Board or the Association;
- (c) pending or contemplated litigation; or
- (d) pending or contemplated matters relating to enforcement of the Governing Documents.

**3.16 Action without a Formal Meeting.** Any action to be taken at a meeting of the Directors or any action that may be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed by all of the Directors and such consent shall have the same force and effect as a unanimous vote.

### C. POWERS AND DUTIES.

**3.17 Powers.** The Board of Directors shall have all of the powers and duties necessary for the administration of the Association's affairs and for performing all responsibilities and exercising all rights of the Association as set forth in the Declaration, these Bylaws, the Articles and as provided by law. The Board may do or cause to be done all acts and things which the Declaration, Articles, these Bylaws, or Oklahoma law do not direct to be done and exercised exclusively by Members or the membership generally.

- (4) depositing all funds received on behalf of the Association in a bank depository which the Board approves and using such funds to operate the Association; provided, any reserve funds may be deposited, in the Board's best business judgment, in depositories other than banks;

- (6) opening bank accounts on behalf of the Association and designating the signatories required;

- (8) enforcing the provisions of the Declaration, these Bylaws and the rules adopted pursuant thereto and bringing any legal proceedings which may be instituted on behalf of or against the Owners concerning the Association; provided, the Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board in the exercise of its business judgment determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action;
- (9) obtaining and carrying property and liability insurance and fidelity bonds, as provided in the Declaration, paying the cost thereof and filing and adjusting claims, as appropriate;
- (10) paying the cost of all services rendered to the Association;
- (11) keeping books with detailed accounts of the receipts and expenditures of the Association;
- (12) permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the Property;
- (13) indemnifying a Director, officer or committee member, or former Director, officer, or committee member of the Association to the extent such indemnity is authorized by Oklahoma law, the Articles or the Declaration; and
- (14) assisting in the resolution of disputes between Owners and others without litigation, as set forth in the Declaration.

**3.19 Right of Class "B" Member to Disapprove Actions.** So long as the Class "B" membership exists, the Class "B" Member shall have a right to disapprove any action, policy or program of the Association, the Board and any committee which, in the sole judgment of the Class "B" Member, would tend to impair rights of Declarant or Builders under the Governing Documents, or interfere with development or construction of any portion of Sara Pointe, or diminish the level of services being provided by the Association.

(1) **Notice.** The Class "B" Member shall be given written notice of all meetings and proposed actions approved at meetings (or by written consent in lieu of a meeting) of the Association, the Board, or any committee. Such notice shall be given by certified mail, return receipt requested, or by personal delivery at the address it has registered with the Secretary of the Association, which notice complies as to the Board meetings with Sections 3.8, 3.9, 3.10 and 3.11 of these Bylaws and which notice shall, except in the case of the regular meetings held pursuant to the Bylaws, set forth with reasonable particularity the agenda to be followed at such meeting.

(2) **Opportunity to be Heard.** The Class "B" Member shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the

floor of any prospective action, policy, or program which would be subject to the right of disapproval set forth herein.

No action, policy, or program subject to the right of disapproval set forth herein shall become effective or be implemented until and unless the requirements of subsections (1) and (2) above have been met.

The Class "B" Member, through its representatives or agents, shall make its concerns, thoughts and suggestions known to the Board and/or the members of the subject committee. The Class "B" Member, acting through any officer or Director, agent, or authorized representative, may exercise its right to disapprove at any time within ten (10) days following the meeting at which such action was proposed or, in the case of any action taken by written consent in lieu of a meeting, at any time within ten (10) days following receipt of written notice of the proposed action. This right to disapprove may be used to block proposed actions but shall not include a right to require any action or counteraction on behalf of any committee, the Board, or the Association. The Class "B" Member shall not use its right to disapprove to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

**3.20 Management.** The Board may employ for the Association a professional manager agent or agents (which may be a corporation or an individual) at such compensation as the Board may establish to perform such duties and services as the Board authorizes. The Board may delegate such powers as are necessary to perform the manager's assigned duties but shall not delegate policymaking authority or those duties set forth in Sections 3.18(1), 3.18(2), 3.18(5)-(6), 3.18(8) and 3.18(13) and (14) of these Bylaws. Declarant or an affiliate of Declarant may be employed as managing agent or manager.

The Board may delegate to one (1) of its members the authority to act on behalf of the Board on all matters relating to the duties of the manager, if any, which might arise between meetings of the Board.

The Association shall not be bound, either directly or indirectly, by any management contract executed during the Class "B" Control Period unless such contract contains a right of termination exercisable by the Association, with or without cause and without penalty, at any time after termination of the Class "B" Control Period on not more than ninety (90) days' written notice.

**3.21 Accounts and Reports.** The following management standards of performance shall be followed unless the Board by resolution specifically determines otherwise:

- (1) cash accounting, as defined by generally accepted accounting principles, shall be employed;
- (2) accounting and controls should conform to generally accepted accounting principles;

(3) cash accounts of the Association shall not be commingled with any other accounts;

(4) no remuneration shall be accepted by the manager from vendors, independent contractors, or others providing goods or services to the Association, whether in the form of commissions, finder's fees, service fees, prizes, gifts, or otherwise; anything of value received shall benefit the Association; and

(5) any financial or other interest which the manager may have in any firm providing goods or services to the Association shall be disclosed promptly to the Board.

**3.22 Borrowing.** The Association shall have the power to borrow money for any legal purpose; provided, the Board shall obtain Member approval in the same manner provided in Section 8.3 of the Declaration for Special Assessments if the proposed borrowing is for the purpose of making discretionary capital improvements and the total amount of such borrowing, together with all other debt incurred within the previous twelve (12) month period, exceeds or would exceed ten percent (10%) of the budgeted gross expenses of the Association for that fiscal year. During the Class "B" Control Period, no Mortgage lien shall be placed on any portion of the Common Area without the affirmative vote or written consent, or any combination thereof, of Members representing at least fifty-one percent (51%) of the total Class "A" votes in the Association.

**3.23 Right to Contract.** The Association shall have the right to contract with any Person for the performance of various duties and functions. This right shall include, without limitation, the right to enter into common management, operational, or other agreements with trusts, condominiums, or cooperatives, and other owners or residents associations, within and outside of Sara Pointe. Any common management agreement shall require the consent of an absolute majority of the Board.

**3.24 Enforcement.** The Association shall have the power, as provided in the Declaration, to impose sanctions for any violation of any duty imposed under the Governing Documents. In the event that any occupant, tenant, employee, guest, or invitee of a Lot violates the Declaration, Bylaws, or a rule and a fine is imposed, the fine shall first be assessed against the occupant; provided, however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine on notice from the Association.

The Association shall not be obligated to take any enforcement action if the Board reasonably determines that the Association's position is not strong enough to justify taking such action. Such a decision shall not be construed as a waiver of the right of the Association to enforce such provision at a later time under other circumstances or estop the Association from enforcing any other covenant, restriction, or rule.

The Association, by contract or other agreement, may, but shall not be obligated to, enforce applicable city and county ordinances, if applicable and may, but shall not be obligated to, permit Canadian County or the City of Mustang to enforce ordinances within Sara Pointe for the benefit of the Association and the Members.

In conducting the business of the Association, the Board, at all times, shall act within the scope of the Governing Documents and in good faith to further the legitimate interests of the Association and the Members. In fulfilling the governance responsibilities, the Board shall limit its actions to those reasonably related to the Association's purposes; those reasonably related to or within the Association's powers, as provided by the Governing Documents and as provided by the laws of the State of Oklahoma; and those that are reasonable in scope. The Board shall exercise its power in a fair and nondiscriminatory manner and shall adhere to the procedures established in the Governing Documents.

(1) **Notice.** Prior to imposition of any sanction hereunder or under the Declaration, the Board or its delegate shall serve the alleged violator with written notice describing (i) the nature of the alleged violation; (ii) the proposed sanction to be imposed; (iii) a period of not less than ten (10) days within which the alleged violator may present a written request for a hearing to the Board or the Covenants Committee, if one has been appointed pursuant to Article 5 of these Bylaws; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within ten (10) days of the notice. If a timely challenge is not made, the sanction stated in the notice shall be imposed; provided that the Board or Covenants Committee may, but shall not be obligated to, suspend any proposed sanction if the violation is cured within the ten (10) day period. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any Person.

(2) **Hearing.** If a hearing is requested within the allotted ten (10) day period, the hearing shall be held before the Covenants Committee, or if none has been appointed, then before the Board in executive session. The alleged violator shall be afforded a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of proper notice shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the Person, who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator or its representative appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed.

(3) **Appeal.** Following a hearing before the Covenants Committee, the violator shall have the right to appeal the decision to the Board. To exercise this right, a written notice of appeal must be received by the manager, President, or Secretary of the Association within ten (10) days after the hearing date.

(4) **Additional Enforcement Rights.** Notwithstanding anything to the contrary in this Article, the Board may elect to enforce any provision of the Declaration, these Bylaws, or the Use Restrictions and Rules by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules) or, following compliance with the dispute resolution procedures set forth in Article 13 of the Declaration, if applicable, by suit at law or in equity to enjoin any violation or to recover monetary damages or both, without the necessity of compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the Owner or occupant responsible for the violation of which abatement is sought

shall pay all costs, including reasonable attorney's fees actually incurred. Any entry onto a Lot for purposes of exercising this power of self-help shall not be deemed a trespass.

#### **Article 4 Officers**

**4.1 Officers.** The officers of the Association shall be a President, Vice President, Secretary and Treasurer. The President and Secretary shall be elected from among the members of the Board; other officers may, but need not be members of the Board. The Board may appoint such other officers, including one (1) or more Assistant Secretaries and one (1) or more Assistant Treasurers, as deemed desirable, such officers to have such authority and perform such duties as the Board prescribes. Any two (2) or more offices may be held by the same person, except the offices of President and Secretary.

**4.2 Election and Term of Office.** The Board shall elect the officers of the Association at the first meeting of the Board following each annual meeting of Members, to serve until their successors are elected.

**4.3 Removal and Vacancies.** The Board may remove any officer whenever in the Board's judgment the best interests of the Association will be served and may fill any vacancy in any office arising because of death, resignation, removal, or otherwise, for the unexpired portion of the term.

**4.4 Powers and Duties.** The officers of the Association each shall have such powers and duties as generally pertain to their respective offices, as well as such powers and duties as may specifically be conferred or imposed by the Board of Directors. The President shall be the chief executive officer of the Association. The Treasurer shall have primary responsibility for the preparation of the budget as provided in the Declaration and may delegate all or part of the preparation and notification duties to a finance committee, manager, or both.

**4.5 Resignation.** Any officer may resign at any time by giving written notice to the Board, the President, or the Secretary. Such resignation shall take effect on the date of the receipt of such notice or at any later time specified therein and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

**4.6 Agreements, Contracts, Deeds, Leases, Checks, Etc.** All agreements, contracts, deeds, leases, checks and other instruments of the Association shall be executed by at least two (2) officers or by such other person or persons as may be designated by Board resolution.

**4.7 Compensation.** Compensation of officers shall be subject to the same limitations as compensation of Directors under Section 3.13 of these Bylaws.

## Article 5 Committees

**5.1 General.** The Board may appoint such committees as it deems appropriate to perform such tasks and to serve for such periods as the Board may designate by resolution. Each committee shall operate in accordance with the terms of such resolution.

**5.2 Covenants Committee.** In addition to any other committees which the Board may establish pursuant to Section 5.1 of these Bylaws, the Board may appoint a Covenants Committee consisting of at least three (3) and no more than seven (7) Members. Acting in accordance with the provisions of the Declaration, these Bylaws and resolutions the Board may adopt, the Covenants Committee, if established, shall be the hearing tribunal of the Association and shall conduct all hearings held pursuant to Section 3.24 of these Bylaws.

## Article 6 Miscellaneous

**6.1 Fiscal Year.** The fiscal year of the Association shall be a calendar year, unless the Board establishes a different fiscal year by resolution.

**6.2 Parliamentary Rules.** Except as may be modified by Board resolution, Robert's Rules of Order (current edition) shall govern the conduct of Association proceedings when not in conflict with Oklahoma law, the Articles, the Declaration, or these Bylaws.

**6.3 Conflicts.** If there are conflicts among the provisions of Oklahoma law, the Articles, the Declaration, or these Bylaws, the provisions of Oklahoma law (unless displaceable by the Governing Documents), the Declaration, the Articles and the Bylaws (in that order) shall prevail.

## 6.4 Books and Records.

(1) **Inspection by Members and Mortgagees.** The Board shall make available for inspection and copying by any holder, insurer or guarantor of a first Mortgage on a Lot, any Member, or the duly appointed representative of any of the foregoing at any reasonable time and for a purpose reasonably related to his or her interest in a Lot: the Declaration, Bylaws and Articles, including any amendments, the Use Restrictions and Rules, the membership register, books of account, including financial records and the minutes of meetings of the Members, the Board and committees. The Board shall provide for such inspection to take place at the office of the Association or at such other place as the Board shall designate.

(2) **Rules for Inspection.** The Board shall establish rules with respect to: (i) notice to be given to the custodian of the records; (ii) hours and days of the week when such an inspection may be made; and (iii) payment of the cost of reproducing documents requested.

(3) **Inspection by Directors.** Every Director shall have the absolute right at any reasonable time to inspect all books, records and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a Director includes the right to make a copy of relevant documents at the expense of the Association.

(4) **Exceptions to Inspection Requirement.** Notwithstanding any provision to the contrary, the Board shall not be required to make available for inspection any portion of any book or record which relates to any of the following:

- (i) personnel matters or a person's medical records;
- (ii) communication between an attorney for the Association and the Association;
- (iii) pending or contemplated litigation;
- (iv) pending or contemplated matters relating to enforcement of the Governing Documents; or
- (v) meeting minutes or other records of a session of a Board or Association meeting that is not required by law to be open to all Members.

In addition, the Board shall not be required to disclose or make available for inspection any financial or other records of the Association if disclosure would violate local, state, or federal law.

**6.5 Notices.** Except as otherwise provided in the Declaration or these Bylaws, all notices, demands, bills, statements, or other communications under the Declaration or these Bylaws shall be in writing and shall be deemed to have been duly given if posted at the entrance to Sara Pointe, delivered personally, or if sent by United States mail, first class postage prepaid:

- (1) if to a Member or Members, at the address which the Member or Members has designated in writing and filed with the Secretary or, if no such address has been designated, at the address of the Lot of such Member or Members;
- (2) if to the Association, the Board, or the manager, at the principal office of the Association or the managing agent or at such other address as shall be designated by notice in writing to the Members pursuant to this section; or
- (3) if to any committee, at the principal address of the Association or at such other address as shall be designated by notice in writing to the Members pursuant to this section.

#### **6.6 Amendment.**

(1) **By Class "B" Member.** Prior to termination of the Class "B" Control Period, the Class "B" Member may unilaterally amend these Bylaws. Thereafter, the Class "B" Member may unilaterally amend these Bylaws at any time and from time to time if such amendment is necessary (i) to bring any provision into compliance with any applicable governmental statute, rule or regulation, or judicial determination; (ii) to enable any reputable title insurance company to issue title insurance coverage on the Lots; or (iii) to enable any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee mortgage loans on the Lots. However, any such amendment shall not adversely affect the title to any Lot unless the Owner shall consent thereto in writing.

(2) **By Members Generally.** Except as provided above and Oklahoma law, these Bylaws may be amended only by the affirmative vote or written consent, or any combination thereof, of Members representing fifty-one percent (51%) of the total Class "A" votes in the Association and the consent of the Class "B" Member, if such exists. In addition, the approval requirements set forth in Article 14 of the Declaration shall be met, if applicable. Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(3) **Validity and Effective Date of Amendments.** Amendments to these Bylaws shall become effective on adoption pursuant to Section 6.6(1) or (2) as applicable unless a later effective date is specified therein. Any procedural challenge to an amendment must be made within six (6) months of the adoption of the amendment, or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of these Bylaws.

No amendment may remove, revoke, or modify any right or privilege of Declarant or the Class "B" Member without the written consent of Declarant, the Class "B" Member, or the assignee of such right or privilege.

The Design Review Board may amend, cancel, add to, modify, or otherwise change these Design Review Guidelines from time to time as necessary in the Design Review Board's sole discretion. The Design Review Board shall send notice of any changes by mail to all Owners at least five (5) business days prior to implementation of any new design guideline. Such mailing, or failure thereof, shall not relieve each Owner of their obligation to determine applicable design guidelines prior to making any new construction or modification.

### **1.4 Compliance with Local Law.**

The Design Review Board is not responsible for notice of or ensuring compliance with building codes, structural details, local, state, federal law, or environmental agency compliance.

### **1.5 Limitation of Liability.**

## **2. DESIGN REVIEW PROCEDURES**

These Design Review Guidelines apply to all new construction and modifications. Other examples include, by illustration only, antenna and satellite receivers, outdoor sculptures or artwork, storm doors, security doors, windows, storm windows and siding.

### **2.2 Design Review Board.**

Oversight of the Design Review Guidelines is vested in the Design Review Board, unless otherwise delegated or assigned to an Architectural Review Committee. The Design Review Board shall consist of at least three (3) and no more than five (5) persons appointed by and serving at the Board's discretion. Members of the Design Review Board may include architects or similar professionals who are not Owners.

The Design Review Board may adopt detailed application and review procedures and design standards governing its area of responsibility consistent with the Declaration. All new construction and modifications shall take place in strict compliance with the Declaration, these Design Review Guidelines and the application and review procedures promulgated by the Design Review Board.

### **2.3 Review Fees.**

The Design Review Board may establish a review fee schedule applicable to the oversight of administering the Design Review Guidelines.

### **2.4 Review Standards.**

As provided in the Governing Documents, the Design Review Board shall approve any new construction or modification only if deemed, in the Design Review Board's discretion, that new construction and Modifications conform to and harmonize with the existing surroundings, residences, landscaping and structures and meets the requirements for such new construction and modifications found in the Governing Documents, these Design Review Guidelines and procedures promulgated by the Design Review Board. The Design Review Board evaluates all submissions on the merits of the application. Besides evaluation of the particular design proposal, this includes the consideration of the characteristics of the housing type and the individual site. Design decisions are not based on personal opinion or taste. Judgments of acceptable design are based on the following standards, which are presented in more specific form within Sections 3 and 4 to these Design Review Guidelines.

(a) **Compliance with the Governing Documents.** All applications are reviewed to confirm that the proposed new construction or modification is in conformance with the Governing Documents.

(b) **Relation to the Natural Environment.** All applications are reviewed to confirm that the proposed new construction or modification represents a positive or neutral effect on the surrounding natural environment. For example, fencing materials can have a deleterious effect on the feel of an open environment.

- (c) **Validity of Concept.** All applications are reviewed to confirm that the proposed new construction or modification is sound in concept and appropriate to its surroundings.
- (d) **Design Compatibility.** All applications are reviewed to confirm that the proposed new construction or modification is compatible with the architectural characteristics of existing structures both on the Lot and in the vicinity. Compatibility is defined as similarity in architectural style, quality of workmanship, similar use of materials, color and construction details.
- (e) **Location and Impact on Neighbors.** All applications are reviewed to confirm that the proposed new construction or modification relates favorably to the landscape, the existing structures on the Lot and in the vicinity. Primary issues of concern are access, drainage, sunlight and ventilation. When new construction or Modification has particular impact on Lots in the vicinity, the Design Review Board may require the applicant to discuss the proposal with Lot Owners in the vicinity prior to the Design Review Board making a decision on the application. The Design Review Board may also require the submittal of comments from Lot Owners in the vicinity.
- (f) **Scale.** All applications are reviewed to confirm that the proposed new construction or modification relates well to the size, in three (3) dimensions, of existing structures on Lots in the vicinity. For example, additions to an existing structure that would place the square footage of the structures on a Lot in disproportion to structures on Lots in the vicinity may be inappropriate.
- (g) **Color.** All applications are reviewed to confirm that the proposed new construction or modification conforms to the colors represented on the existing structures on the Lot and on Lots in the vicinity.
- (h) **Materials.** All applications are reviewed to confirm that the proposed new construction or modification utilizes materials of the same or compatible nature as were used on existing structures on the Lot or on Lots in the vicinity.
- (i) **Workmanship.** All applications are reviewed to confirm that the proposed new construction or modification would entail workmanship of an equal or better quality than that represented on existing structures on the Lot or on Lots in the vicinity.
- (j) **Timing.** All applications are reviewed to confirm that the proposed new construction or modification may be completed in a timely manner, whether an Owner performs the work or contracts the work to be done.

## **2.5 Review Process for New Construction and Modifications.**

Prior to making application to the Design Review Board, Owners are encouraged to meet with a representative of the Design Review Board to avoid confusion about the approval process

and to determine the acceptability of their design intent. The Owner should also obtain a current copy of the Design Review Guidelines and applicable forms.

Prior to commencing any new construction or modifications, an Owner shall submit to the Design Review Board an application for approval in such form as the Design Review Board shall require. An acceptable application appears as Exhibit "1" to these Design Review Guidelines. Such application shall include Plans showing site layout, structural design, exterior elevations, exterior materials and colors, landscaping, drainage, exterior lighting, irrigation and other features of proposed construction, as applicable. The Design Review Board, Architectural Review Committee, the Declaration, or these Design Review Guidelines may require the submission of such additional information as may be reasonably necessary to consider any application. For consideration, the application must be received by the Design Review Board before 5:00 p.m. five (5) days prior to the scheduled meeting of the Design Review Board. The Design Review Board will meet on a regular basis as determined by the Design Review Board. Late submissions will not be reviewed until the next meeting of the Design Review Board.

In reviewing each submission, the Design Review Board will consider the application based on the Review Standards. Decisions may be based on purely aesthetic considerations. Each Owner acknowledges that determinations as to such matters are purely subjective and opinions may vary as to the desirability and/or attractiveness of particular improvements.

Within thirty (30) days after receipt of a completed application and all required information, the Design Review Board shall respond in writing to the applicant at the address specified in the application. The response may (i) approve the application, with or without conditions; (ii) approve a portion of the application and disapprove other portions; or (iii) disapprove the application. The Design Review Board may, but shall not be obligated to, specify the reasons for any objections and/or offer suggestions for curing any objections.

In the event the Design Review Board fails to respond to a properly submitted application in a timely manner, approval shall be deemed to have been given, subject to Declarant's right to veto approval by the Design Review Board pursuant to this section. Any approval inconsistent with the Declaration or these Design Review Guidelines is void unless a variance has been granted pursuant to Section 4.5 of the Declaration.

The Design Review Board shall notify Declarant in writing within three (3) business days after the Design Review Board has approved any application relating to proposed modifications so long as Declarant owns any property described in Exhibit "A" unless Declarant or the Design Review Board, respectively, waive, in writing, its right to such notification. The notice shall be accompanied by a copy of the application and any additional information which the Design Review Board may require. Declarant, so long as Declarant owns any of the Property and the Design Review Board shall have ten (10) days after receipt of such notice to veto any such action, in the sole discretion of each, by written notice to the Design Review Board and the applicant.

If construction does not commence on a new construction or modifications project for which plans have been approved within one (1) year after the date of approval, such approval shall be deemed withdrawn and the Owner shall reapply for approval before commencing the proposed modifications. "Commencement" shall begin on such actions as, but not limited to, delivery of materials and labor exerted relative to the new construction or modification. After construction is commenced, it shall be diligently pursued to completion. All new construction or modifications shall be completed within one (1) year after commencement unless otherwise specified in the notice of approval or unless the Design Review Board grants an extension in writing, which it shall not be obligated to do. Any new construction or Modifications not completed within the required time shall be considered nonconforming and shall be subject to enforcement action by the Design Review Board, the Association, Declarant or any aggrieved Owner.

The Design Review Board, by resolution, may exempt certain activities from the application and approval requirements of this Article, provided such activities are undertaken in strict compliance with the requirements of such resolution. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications. Any Owner may remodel, paint or redecorate the interior of a residence without approval provided such alterations do not affect the aesthetics of the exterior of the residence as they appeared prior to the alteration. Modifications to the interior of screened porches, patios and similar portions of a residence visible from outside the structure shall be subject to approval. This section shall not apply to the activities of Declarant or to activities of the Association during the Class "B" Control Period.

All antennas are subject to the following provisions:

1. Any antenna an Owner places on such Owner's Lot must be registered with the Design Review Board within ten (10) days of installation. Owners shall submit a registration drawing detailing how the proposed installation complies with these Design Review Guidelines.
2. Installation shall be by a qualified person knowledgeable about the proper installation of antennas.
3. All antennas must be installed in accordance with the manufacturers' guidelines to insure safe installation and must also be installed in compliance with all

federal, state and local statutes and regulations regarding safety. In addition, a building permit shall be obtained, if required by local ordinance.

4. No antenna can be over thirty-nine inches (39") in diameter or diagonal measurement, at its largest dimension. Any device larger than one meter (39 inches) in diameter is strictly prohibited.

5. All antennas must be properly grounded and must be placed a safe distance from any power lines.

6. All antennas must be located in a side or rear yard location, not visible from any street(s) or any neighboring properties, provided such location does not preclude reception of an acceptable quality signal.

7. All antennas shall be ground mounted or shall not be installed higher than is absolutely necessary for reception of an acceptable quality signal.

8. All antennas must be blended with the background on which placed by painting the antenna the same color as the house or otherwise screening the antenna from view from any street(s) or adjacent properties with appropriate landscaping or other materials of a reasonable cost.

9. All installations shall be completed so that they do not damage the Common Areas of the Association or the Lot of any other resident, or void any warranties of the Association or other Owners, or in any way impair the integrity of buildings on Common Areas or Lots.

10. Owners are responsible for all costs associated with the antenna, including but not limited to costs to:

- Place (or replace), repair, maintain and move or remove antennas;
- Repair damages to the Common Areas, other Lots and any other property damaged by antenna installation, maintenance or use; or
- Reimburse residents or the Association for damages caused by antenna installation, maintenance, or use.

11. Wiring or cabling shall be installed so as to be minimally visible and blend into the material to which it is attached.

12. No Antenna shall be placed in a location where it blocks fire exits, walkways, ingress or egress from an area, fire lanes, fire hoses, fire extinguishers, safety equipment, electrical panels, or other items or areas necessary for the safe operation of the Association or individual Lots.

13. No Antenna shall be attached to fencing shared between Lots or Common Areas.

14. No Antenna may obstruct a driver's view of an intersection or a street.

15. To the extent that interpretation of these provisions is necessary, such interpretation will be undertaken by the Design Review Board in full compliance with all federal, state and local statutes and regulations, as may be supplemented or amended from time to time.

16. If antennas are installed on property for which the Association has maintenance responsibility, owners retain responsibility for antenna maintenance. Owners must not install antennas in a manner that will increase maintenance costs for the

Association or for other Owners. If such damage occurs, owners are responsible for these costs.

If an antenna needs to be installed in any way that is not consistent with the above-mentioned provisions due to preclusion of an acceptable quality signal, then the Owner is asked to submit a request for location approval. The Association's approval will then be based on how well the device is screened from the view of both public and private areas.

Important Note: Any antenna/satellite dish that is in any way mounted on a residence may void applicable warranties.

**4.9.32 Siding.** Any siding must receive prior Design Review Board approval.

**4.9.33 Signs:** Subject to the restriction that no sign shall be located within any Common Area and except as reserved by the Declarant, the following sign standards shall apply:

(a) **Real Estate Signs:** Temporary, non-illuminated, real estate signs indicating the availability for sale of a specific Lot on which this sign is erected or displayed are approved without application, provided the sign does not exceed five (5) square feet in total area, does not exceed four feet (4') in height and the Lot is restricted to one (1) sign per street frontage. Such signs are to be removed immediately following sale closing or rental occupancy of the property. Such signs may not be placed on any fence. Open House signs shall conform to the above dimensions, are limited in number to six (6), shall be placed only on the owner's Lot or within the public right-of-way for the duration of the open house and shall not block or interfere with traffic visibility. All signs must also meet local sign codes.

(b) **Garage Sale Signs:** A sign advertising the existence of a garage sale of personal property may indicate the date, time and location of the sale. Such signs may have a maximum area of three (3) square feet and may be posted for the period of the garage sale only. Such signs may not block or interfere with traffic visibility and shall be posted only on the owner's Lot or within the public right-of-way.

(c) **Political Signs.** Signs depicting the name and office of a legitimate political candidate who has filed for a present political race are allowed, provided such signs do not exceed a maximum area of three square feet. Such signs shall be removed the day after elections pertaining to the candidate's race. All signs depicting political slogans and information other than the candidate's name and office shall receive prior Design Review Board approval.

(d) **Other Signs.** All other signs, including but not limited to, posters, billboards, advertising devices, or displays of any kind, are not permissible for posting on any Lot without the prior written consent of the Design Review Board.

**4.9.34 Skateboard Ramps.** Not permitted.

**4.9.35 Solar Devices.** All solar devices must receive prior Design Review Board approval.

**4.9.36 Statues, Sculptures, Fountains, Ponds.** Placement of any statue, sculpture, fountain, pond, or similar artistic expression in the front yard of any Lot or the front and backyard of any Lot adjoining the Common Areas is highly discouraged by the Design Review Board and must receive prior Design Review Board approval. All other locations of artistic expressions visible from other Lots or requiring any excavation must receive prior Design Review Board approval.

**4.9.37 Storm/Security Doors.** Storm and security doors are allowed with prior Design Review Board approval.

**4.9.38 Temporary Structures.** Temporary structures suitable for a wedding, birthday party and similar occasions are permitted in the backyard to any Lot provided such temporary structure is removed within twenty-four (24) hours of the conclusion of the occasion. This design standard shall not limit Association activities.

**4.9.39 Trash and Garbage Receptacles.** Trash and other receptacles shall be absent from view from any street, any Lot and Common Areas on all days other than designated trash and/or recycling pick up days.

**4.9.40 Tree Houses.** Tree houses constructed in or on vegetation are not permitted.

**4.9.41 Underground Installations.** All underground installations must receive prior Design Review Board approval.

**4.9.42 Variety in Design.** Dwellings with the same floor plan and same elevation must have a minimum of four (4) Lots between such residences when built on the same side of a street. Such residences shall not be constructed on corresponding corner Lots. A minimum of two (2) residences must be built between dwellings with the same style and color of brick.

**4.9.43 Walls.** All walls of any nature, for example but not limitation, retaining walls, landscaping walls and decorative walls, must receive prior Design Review Board approval.

**4.9.44 Wells.** Wells of any kind are not permitted except as provided by Declarant for irrigation and water level maintenance of ponds.

## **5. Landscaping Standards**

### **5.1. Overview.**

The Design Review Board retains oversight of landscaping improvements to Lots to assurance that the Sara Pointe community will continue to be an attractive and pleasant place to reside. The landscape plan will be required for review at the same time the initial site plan is reviewed. The landscaping work shall be completed within nine (9) months of start of vertical construction or within two (2) months of the issuance of the certificate of occupancy for the improvements.

### **5.2. Concepts.**

Each Owner should familiarize themselves with these landscape guidelines prior to executing a plan. Each landscape plan should be prepared according to the following criteria:

5.2.1 Provide landscaping to enhance the beauty of the Lot and improvements while providing continuity between the Lot, improvements and surrounding vegetation.

5.2.2 Minimize the visual intrusion of the built environment by mitigating areas disturbed during construction.

### **5.3. Objectives.**

All Lots, after construction, require landscaping. The design of the landscaping will vary, depending on size, shape, topography and location of the property and the design of the structure. It is the intent of the landscaping to accomplish the following objectives:

5.3.1 **Beautify.** (a) Soften vertical structure from the horizontal ground plane, with foundation plantings of sufficient density and size to break the line between ground plane and structure; (b) soften the impact of corners and broad wall areas with vertical and spreading foliage; (c) to soften and reduce apparent height of house, foundation planting at the front should be layered from the ground plane using small plants towards the front and then transitioning up to larger plants near the foundation. A single row of uniformly spaced plants of equal size arranged in a single row along the foundation is not acceptable. Installing plant material of different sizes and textures in natural groupings is a preferred alternative.

5.3.2 **Screen.** Visually screen compressors, tanks, service yards, transformers, telephone pedestals, recreation equipment, parking, driveways, patios and other hard or unsightly areas.

5.3.3 **Restoration.** Restoration of a site due to construction.

5.3.4 **Drainage.** It is the responsibility of each owner to handle surface water on the Lot to minimize impact on adjoining property and insure that water is moved to the appropriate areas to interface properly with Sara East Pointe's master drainage plan.

5.3.5 **Phasing.** This approach to landscaping is approvable; however, the initial phase must meet the first four (4) objectives above.

5.3.6 **Conservation.** Owners are also encouraged to plan for the conservation of water by planting native and drought resistant species.

5.3.7 **View.** Taller plantings and recreation equipment should not be placed in the neighbor's view line. Existing vegetation will be allowed to remain in the view line. The view line is defined by staffing at the left and right rear property corners and proceeding twenty (20) feet toward the front corners and twenty (20) feet toward the center across the rear property line. These two new points, near each corner, when connected form triangles that should remain free of obstructions for neighbor's view corridors.

### **5.4. Plans.**

5.4.1 **Landscaping.** The landscaping plan must be professionally prepared on a site plan indicating topography, existing and proposed vegetation. The plan should be drawn at a scale of one-eighth (1/8<sup>th</sup>) inch equals one (1) foot. The plan should graphically illustrate location, lot number, adjoining lot border lines, nearest structure lines on adjoining Lots, sizes of plant material, lawn, mulched areas and open areas. A schedule must be included on the planting plan indicating the following specifications for each plant: Common name, Plant height at time of planting (two [2] gallon minimum), Plant quantities, Identify grass and mulched areas. Each Lot shall contain a minimum of one hundred (100) square feet of landscaping in the front yard.

5.4.2 **Identify Trees.** Existing trees of three inch (3") diameter or greater at forty-eight inches (48") from the ground, must be identified as to exact location, size of trunk, genus name and where possible, the species. No existing trees shall be cut, removed, transplanted or damaged without approval by Design Review Board.

5.4.3 **Features and Surface.** All existing site features such as roads, walks, structures on adjoining Lots, bike paths, walls, etc. are to be graphically noted on the Landscape Site Plan. All surfacing materials are to be noted (as to whether they are concrete, grass, planting beds, etc.). Texturing or other surface treatment of concrete paving is to be indicated and should include color presentation.

5.4.4 **Sod Requirement.** All lawn areas must be covered with sod, seed, or other material approved by the Design Review Board.

5.4.5 **Tree Requirement.** Trees and shrubs must be planted in accordance with the approved plan within the time frame outlined in Section 5.1 of these Design Review Guidelines. Unless otherwise existing naturally on the Lot and such naturally occurring trees are approved as substitutes by the Design Review Board, each Lot shall have a minimum of Two (2) approved trees, measuring at least Three (3) inches in diameter or greater at 48" from the ground, located in front of the dwelling constructed on the Lot. If such Lot shall be a corner Lot, then such corner Lot shall be required to locate Three (3) such trees.

5.4.6 **Irrigation.** Should any Lot have any form of irrigation system installed to irrigate planting beds or grassed areas of the Lot, the spray from such irrigation system should be contained to the Lot. The Design Review Board may require relocation or redirection of spray if adjacent Lots, streets or other areas are affected. The Design Review Board is not responsible for the system's performance or function. The Design Review Board shall not be held liable for any injury, damages or loss arising out of the manner or quality of approved irrigation systems.

KNOW ALL MEN BY THESE PRESENTS:

WHEREAS, Sara Pointe Property Owners' Association, Inc., hereafter referred to as the "Declarant", is a homeowners association comprised of all owners of lots in East Pointe Addition Section 2.
